FALL WOG 2019

"It's an HONOR to be a DEVIL DOG!"

Devil Dog Creed

"I am an American: I was born in France. I hold the title of United States Marine, and understand the commitment of holding the title, Devil Dog. It is a tradition born at Belleau Wood in the year 1918, of a Force in Readiness and the "First to Fight". As a Devil Dog, I ask no quarter and give no quarter. I will do everything in my power to uphold the objectives of the Military Order of Devil Dogs and to carry out my duties to a swift and satisfactory completion".

GROWLINGS FROM THE 59TH CHIEF DEVIL DOG

WOOF-WOOF to all Dogs of the Order,

I wish to first thank you all for selecting me as your 59th Chief. What a great time I had in Billings and I want to congratulate our new PDD's on your obligation. To all of the Kennel Staff and to the Dog Handlers, I thank you for a very enjoyable initiation and a superb job done by all in making the 2019 Supreme Growl a fantastic experience for all. I also want to thank all of the Packs and Pounds of the Order for their hard work in the raising of 50,000 Big Bones which were donated to the Local Children's Hospital in Billings. Your dedication to the children is one of our most worthy of causes and to see firsthand how your efforts are being used was indeed a privilege and adds to the truth that "It is indeed an Honor to be a Devil Dog."

I will be in communication with your newly elected Staff, your Division Vice Chief Devil Dogs, and your Pack Leaders so that communication is maintained amongst the Order. Please check periodically for updates posted on the Kennel website as well as information passed within the quarterly WOG's.

I anticipate that Daytona Beach will be one of our largest attended Conventions and that we will have hundreds of PDD's present and hopefully a few hundred Devil Dogs obligating to PDD. If you intend on attending the Supreme Growl, remember to make your reservations early so that you don't miss out on any of the many festivities planned. If you are planning on obligating to PDD, make sure you have your paperwork submitted in a timely manner and that you maintain a copy of it in the event something unexpectedly happens, and your initial paperwork is lost in transition.

I know we will have fun this year, I am looking forward to the Mid-Winter Mini-Growl; show your support to the League as well as the Dogs; I look forward to seeing many of you in Norfolk. Remember, keep your Growls fun; use your imagination and creativity to keep your Dogs returning and don't forget; there are many League members who are not Dogs but would be great Dogs if invited. We need to strive to increase our numbers just as hard as you strive to reach new goals in our Children's Hospital Donations (Passport Funds). I know that you will all do your best to increase our numbers in both membership and in what we donate to the help of the Children's Hospital selected in Daytona Beach, FL.

Remember to keep our Veterans in your thoughts and prayers. If you get a chance, please visit your local VA Hospitals and Homes and let the Veterans know that they have not been forgotten.

Stay well, stay active and remember, "If you keep it fun, they will come." I look forward to seeing many of you in Norfolk.

SR. VICE CHIEF DEVIL DOG

I had high hopes for the Supreme Growl in Billings and was not disappointed; it was a great week all around. Congratulations to all of the Dogs who advanced, great job WOOF-WOOF! Lots of big barks to go around and a few **EXTRA BIG BARKS** to Lucky Dog and Assistant Lucky Dog PDD's Evie Remines and Don Benson as well as, PDD's Bonnie Holden, Eldon "Doc" Holsey, Dan Bishop, Mike Francis and Randy Weber for all their hard work helping to insure the success of the Kennel's various raffles, sweepstakes, etc... The Kennel could not have these successful fundraisers if it were not for you Dogs throughout the Kennel who step up and participated to make them successful, so a hearty Woof-Woof to all of you and to the generous companies and Dogs who

donated prizes for this year's drawings and congratulations to all the winners.

(continued) Barking of successful, reflecting back to my first Supreme Growl in Orlando, FL in 2008 where I was duly impressed with the donation to the Florida Children's Hospital, I decided to go back one more year to the 2007 Supreme Growl in Albuquerque. Looking back, I found that the Albuquerque donation was \$17,211 Big Bones. This year's donation was \$50,000 big bones, running the numbers that is a \$32,789 or 190.5% increase which works out to a very respectable average annual increase of 14.654%. Over those 13 years, Kennel has donated around \$365,851 to various Children's Hospitals around the country.

Now the figure that really matters and I unfortunately have no way of finding it to present it to you is how many children's lives have been positively affected by these donations? I'm betting that it is a rather large number, particularly considering that our donations are designated for medical equipment purchases which will keep giving year after year, long after the donations are made. While that deserves this huge **WOOF-WOOF**, you know it is not about blowing our own dog whistle. Rather, it is about encouraging those Dogs, Pounds and Packs who may not be working to help with these efforts to take the plunge and jump in with all four paws and do what you can to help grow these donations and positively impact even more children in medical need. There are a lot of great fundraising ideas that other Dogs, Pounds and Packs are using and would be happy to share with you and you may always contact me and I will be happy to offer suggestions and/or point you to others you can bark with about it. Remember, all passport stamping fees automatically go to the Children's Fund and if you have other funds that you want to donate to that cause, make sure you designate that when you send them to the Kennel Dog Robber so they are allocated appropriately.

Since dues should have been in by September 1st, this is a good time for Pound and Pack Staff to take a look at members that have not renewed. If you have not tried the personal touch, you may find that a phone call or visit may be enough to bring wayward Dogs back into the fold. Enlisting your Officers to share in the effort should make for light work and may just produce some positive results.

Many thanks to PCDD Spicer for the last two years, it has been fun. Congratulations to our 59th CDD Tom Hazlett on his election to lead the MODD. For as long as I've known the Chief his mantra has been, "If you

keep your Growls fun, they will come." With that in mind, I have a feeling he will be bending the fun curve even more than we may be used to, and I for one look forward to seeing where that takes us.

Bring it on Chief we can take it, we like fun!!! Finally, my thanks to the Dogs of the Order for all of your support, guidance and suggestions. I look forward to seeing you whenever and wherever we are able to assemble. Please let me know if there is anything I may be of assistance with!

MAD DOG

Woof-Woof Devil Dogs,

I'd like to congratulate all 84 of the new PDD's that advanced in Billings MT, job well done and we also had two Dogs from Hawaii join us, Scott Bryan advanced to DD and we had a Mongrel show up Carl Vincenti who joined our ranks as a PUP, we are looking forward to watching the Hawaii Pound grow and hopefully establish their own Pack in the near future. We had a howling good time and made a lot of new friends and caught up with some old ones that we haven't seen in a while, either way you look at it, if you weren't there, you missed out on a great time and an Awesome Growl.

MD 20/20 is in the process of finalizing all the activities for the Supreme Growl in Daytona Beach, a little hint, there might just be some beach action going on, after all, we are Marines and we've never met a Beach that we didn't take.

It's never too early to start looking for a few good Dogs, so if you're planning on being at the Supreme Growl in Daytona Beach FL. I'm still looking for a few volunteers for Platoon Handlers and Station Monitors and event monitors, if you are interested in lending a Paw please send me an email or give me a bark and I'll add you to my list.

For those DD's who are planning to advance to PDD in Daytona Beach FL in 2020 you need to make sure that your paperwork is properly filled out and turned into your Pound Dog Robber in enough time for them to get it processed and sent to your Pack Dog Robber so that they have plenty of time to get it sent in to the Kennel Dog Robber before the **July 1st Deadline** and remember **All Dogs who are planning on advancing to PDD need to be registered with the MCL and the MODD by 1700 on Monday August 10th.** *****Side Note from Barking Dog***If you are advancing to PDD, you should be on deck by Sunday, August 9th.** **This will allow time for you to get registered, meet with your perspective Platoons, and so on. It has been a headache in the past when future PDD's arrive late. Woof-Woof!**

Start your preparations now to join us at the 2020 Mid-Winter Conference in Norfolk VA, remember the Mini Growl is the only Kennel Growl that is open to all Dogs to attend, so start getting your Dogs in order and plan to join us in 2020.

NEW ENGLAND DIV.

New England Division Vice Chief Devil Dog
Fall Issue 2019 Woof-O-Gram

Covering the Packs & Pounds of NH, ME, RI, VT, CT, MA

Been quiet and calm, I guess some Dogs were resting up for the Supreme Growl in August, with there being at least 3 Devil Dogs advanced to Pedigree Devil Dogs from New England Division. Placing 2nd for membership should drive some of our dogs to go for 1st place next year.

Attended the Seacoast Detachment #394 picnic in a beautiful spot, what more could you ask for good food, free beer and Marines & family.

(continued) Volunteered at the Building Dreams for Marines Golf Tournament annual fundraiser. BD4M, a non-profit organization with the mission of assisting New Hampshire **Marine** Veterans with life-enhancing renovations to their homes so they may continue to STAY in their homes.

Devil Dogs Can do! A NH MCL member's brother (USN) passed away, the family wanted a firing detail and in a short, very short time we were able to pull it together and fulfill the request.

Attended the VT #249 on the 8th of September, good fun was had by all.

Well that is all I have to say, hope to have more to contribute next WOG.

HAPPY FALL-GO PLAY IN THE LEAVES-ENJOY LIFE!

SMART DOG

Woof-Woof,

I want to thank all the Dogs who attended the National Convention in Billings, MT for putting your trust and faith into me as your new Kennel Smart Dog. I have some wonderful mentors in the current Kennel Staff and previous Kennel Smart Dog, PDD Tom Krueger, to help me adjust to my

new duties. With PDD Krueger's assistance, the Bylaw changes that were approved at the 2019 Supreme Growl have been entered. The new version of the Bylaws have been uploaded to the MODD website for all to review. If you have any questions or issues, please let me know.

I have reviewed some of the Pack and Pound Bylaws handed down to me from PDD Krueger. I will be contacting Smart Dogs across the land within the next few months to see if there are copies of Bylaws that we do not have on record. Please be sure to update your Pack and Pound Bylaws to reflect changes that were approved in Billings. For quick reference, the Kennel Bylaws have a "2019" in the margins where changes have occurred.

I have passed my Lucky Dog hat(s) to my Deputy PDD Don Benson with the Chief's permission. Although I'm still trying to convince him to *literally* wear all my Lucky Dog hats, I have the utmost confidence that he will be awesome in the role. After all, he learned from the best! ☺

For all who do not know me or have not heard my intentions, I plan to move up the ranks of the Kennel elected staff to ultimately become the first elected Chief from the Maryland Pack. We have had two Honorary Past Chiefs in Maryland, PDD Jimmie Lee Howard, and PDD Jack Severn. I never had the chance to meet PDD Howard, but if he was anything like PDD Severn, I have some very big Maryland shoes to fill! I promise to put forth my best efforts in everything I do for the Kennel and Dogs of the Order. If you need to contact me for any issues concerning the Bylaws or otherwise, email is the best option – mclichick@hotmail.com

Respectively yours,
PDD Evie Remines

OPS DOG

Woof-Woof to all Dogs of the Order,

The Supreme Growl and National Convention are now behind us. If you came, I know you all had a great time, and if you missed it, next year we have the Mini Growl at Mid-Winter (late February) that all Dogs can enjoy and then off to Daytona Beach, FL in August. We had a total of 365 Dogs register with 84 Devil Dogs advancing to Pedigree. There was also 1 PUP that advanced to Devil Dog and one mongrel advance to PUP (from Hawaii), thanks to the Chief. Remember Dogs,

it's up to you to know when you need to be registered. Ask your Dog Robbers, but always double check for yourselves. All Dogs advancing need to be registered in the Dog House by 5:00 pm on Monday (of the week of Convention). When you do come to a Supreme Growl or the Mid-Winter Conference please make sure you bring the correct amount of bones with you. If you're able to get \$20's and \$50's you can also get \$5's and \$1's so we would not have to scramble to make change.

Woof-Woof, PDD Lynn F. Sabel, Kennel Operations Dog

Woof-Woof!

Well it looks as though summer is coming to an end and the harsh winds of winter will soon be upon us.

Our National Convention is behind us and I hope all our Dogs had a safe return to their Kennels. The Convention was great and I am sure all had a great time.

The Grand Growl was a success and once again over \$50,000 big bones were donated for the kids. A big Woof-Woof to our new Chief Devil Dog Tom Hazlett.

3. Attended all Pound 117 Growls
4. Dog Handler at our National Convention in Billings MT.
5. Participated in the Grand Growl in Billings MT.

AIDE-DE-KAMP

WOOF-WOOF,

Greetings to the Denizens of Dogdom! It's been about a month since Karen and I returned to Missouri from the 96th National Convention and 80th Supreme Growl in Billings, Montana. The Dogs who were unable to attend missed a great time and a lot of laughter. All of the Dogs of the Order worked hard this past year and our donation of 50,000 Big Bones to the Billings Clinic was a milestone. Congratulations to our new Honorable 59th Chief Devil Dog PDD Tom Hazlett, all of the new Officers and the new PDD's.

It's always motivating to see our members advance to PDD but this year was extra special. My roommate from Explosive Ordnance Disposal School came from New Jersey to advance. It had been 24 years since we saw each other last. He was also chosen as his Platoon's Honor Dog. OOH-RAH PDD Cleary! We had a motivated Pup come all the way from Hawaii to advance to DD. Congrats to DD Scott Bryan who was also chosen as his Platoon's Honor Dog. We all look forward to seeing a Hawaiian Pound soon!

Most of us use computers now and see or use some form of Social Media. The majority of younger Dogs are on it every day. It is a powerful tool to recruit new Dogs but can also be a double-edged sword. MCL Members see photographs of the fun that we have at our various Growls and the good we do with the Big Bones that are raised. This encourages potential Dogs, motivates old Dogs and gives us all new ideas. There is also the potential for mistakes, and we all make them at some point. Learn from them. Use common sense. We were all trained in Boot Camp to cover each other and must continue to do it. If you see another Dog making a mistake or about to, SAY SOMETHING. Remember, **I Got Your "6" Brother.**

We are the Fun and Honor Society of the Marine Corps League. Our new Honorable Chief has a motto: "If you keep it FUN, they will come"! He means just that. Keep your Growls fun and you will grow our Order.

My Flea and I are headed to the MDM Expo in Quantico now, but are looking forward to the National Convention and 81st Supreme Growl in Daytona next year. Make your reservations early Dogs.

KENNEL VET

Woof -Woof,

Let me introduce myself. I am Howard Koontz, the New Kennel Veterinarian. I was appointed to the position at Billings Montana during our Convention. Outside of being a PDD, I am a retired USNR Senior Chief Hospital Corpsman, HMCS (8404, FMF) and a retired Navy Nurse, LT 2905. I still practice Nursing at John Hopkins Hospital in Baltimore, MD. I currently hold the position of Senior Vice Commandant, Department of Maryland, and Representative to the Four Chaplains of the Chapel. I am the Past Commandant of the Baltimore Detachment 565, and currently the Detachment Medical Officer and Judge Advocate for Detachment

565. I am the Dog Trainer for Hound Dog Pound 204, Maryland Pack. Thank you, PDD Rodger Ware for your confidence in forwarding me for this position.

Your Veterinarian Staff will be available for your questions and service if needed. There are a few things that you can do to help us and yourself during meetings and in your daily life. Probably the most important item you need to remember is your medications. Check the prescription bottle for the correct medicine in the correct bottle. Never mix your meds in one bottle so that it is easier to carry one bottle than a couple. It is hard to tell what meds which ones are which. If you cannot help the doctor or nurse that is trying to help you, valuable time is lost looking up the med in the med ID book. Many times in the Emergency Room, I have found a bottle with various pills, tablets, and capsules in one container and the patient is unable to speak for him/herself. If you are using Nitroglycerin. It is important to keep the bottle with you at all times. If the pill is outdated, get the script renewed. If the pills are in a state of being broken, crumpled into little pieces, get a new script. **Never carry outdated Nitro.**

Carry in your wallet or pocketbook and a PRINTED list of the medicines you are on. A handwritten list is nice, but the ink, pencil, or crayon does get smeared and becomes unreadable. Present your list to the Vet Staff when you are asked for it. This is very important when you go up for red and/or gold collar. Do you have your Medical ID tag? Everyone who has a medical condition should have a medical ID tag. You can get a bracelet, necklace, or watch band style. If you are a VA patient, go to this site <http://www.americanmedical-id.com/media/wysiwyg/PDFs/AMI-VAHandout2016v3.pdf>. Download it and bring it to your VA clinician. If you are not enrolled in the VA, go to your pharmacy or medical provider and ask for a brochure that shows the ID style you want. Get it engraved with your condition(s) and meds you are taking. All these suggestions can help save your life in case of an emergency.

I request this for any Growl, Convention, or social get-together in any hotel. The Vet Staff should ascertain the placement of an Automatic External Defibrillator (AED). The hotel staff is trained in it's use and will respond with the AED when called. The Vet Staff should also find the location of the nearest hospital and response time of the nearest medical help, be it a volunteer or paid. In the Spring 2019 Kennel Woof-O-Gram, Kennel Veterinarian Roger Ware outlined some common medical problems that can occur at any time. Please refer to his excellent report.

During the Supreme Growl, all who are going for their PPD will see me and/or one of the Assistant Vets. There will be a question about your health. Be forthcoming with your conditions. At no time will you be not allowed to continue. We need the information to help you. If you cannot stand for a long period, or walk, accommodations will be made so you can continue. A special tag will be placed on your record. If you have not had your rabies, distemper or Kennel cough inoculations', you will receive them at this time. If you have on your person, the yellow tag, you will not need another shot.

The Veterinarian Staff is always in need of assistants. If you are an MD, RN, LPN, EMT, HM 8404, let us know. I and my staff welcome you. We are on call during the Mid-Winter Mini and Supreme Growls.

(continued) We follow the groups, roam the area and attend the meetings. We always sit in the rear of meetings so we can see if there is a problem. Yes, we have arm bands for instant ID.

The main thing at Growls is to have fun. Enjoy each other's company, jokes, and sea stories. Each Dog should ID and bring more members to the Fun and Honor Society of the MCL. There are many members who don't really know what goes on. It is up to you to enlighten them. All Dogs love to run in a Pack, if you are one, break that chain that keeps you at home. Bark and howl with the best.

Woof – Woof,
Howard (Doc) Koontz

NORTHEAST DIV.

I was nominated and I accepted the position of NE DIV VICE CHIEF DEVIL DOG at NE DIV Conference in spring. I really have nothing to report regarding the health of the NE Dogs. I attended the Convention in Billings MT and due to prior commitments made before, I was unable to attend the Supreme Growl. However, I did attend the NY Dept Convention and was royally treated at their Growl. I plan to attend at least one staff meeting of each Dept. and look forward to attending their respective Conventions next year. I am looking forward to attending the National Mid-winter and the NE Div

Conference next spring. I am always available and will do my utmost to fulfill the duties of this post. As with any new position, I will look to others for help as needed. I look forward to working with the new Chief in any capacity.

CHARITY DOG

There's a new Dog in the Kennel! And her name is PDD Barbara Vanner. As the Charity Dog, I will assist the Chief with fundraising for many charitable organizations the Devil Dogs support. From time to time, I will send emails to give you ideas to increase your donations to these most worthy causes. As you know, the Devil Dogs raise bones for numerous charitable endeavors from scholarship funds to Children's Hospital and everything in between. The position of Charity Dog entails coordinating fundraising efforts between the Pack, Pound, and the Chief Dog. It also entails advising individuals, Packs, and Pounds in their fundraising efforts. As this is a new position, it will evolve and develop over time and according to the needs of the Devil Dogs. Please feel free to contact me with any questions, concerns, and/or ideas you have. I look forward to working with all

of you as we continue to aid our communities and nation as a whole.

POLICE DOG

WOOF-WOOF!

A month ago, I traveled home from Montana once again elected to office as your Kennel Police Dog. I want to thank all those Dogs who stepped up to assist me at the Supreme Growl as Deputy Police Dogs. Whereas the Devil Dogs are the “Fun and Honor Society” of the Marine Corps League, I can confirm that an abundance of FUN (with Honor), was had by all the Dogs in Billings.

A Great Big “WOOF-WOOF” to Mad Dog Minton for his inventive activities used during the initiation process of the Kennel’s newest Pedigree Devil Dogs; an event the new PDD’s will assuredly remember for many years.

Congratulations to Chief Devil Dog, Leonard Spicer! During his second year as Chief, under his leadership, the Pounds and Packs stepped up their contributions resulting in a \$50,000.00 donation benefitting the local Children’s Medical facility in Billings, MT.

I’m an extremely proud of my own Pound for receiving the Passport Challenge Award (again). Way to go...Landis-McCleaf, Pound It up Yours #132 (PA Pack)! Hope to see many of you in Norfolk, VA. at the 2020 Mini-Growl Make your reservations now. (:

DOG ROBBER

The Supreme Growl is over and it is time for elections to take place in the Pounds across the Kennel. The **bylaws require them to occur within 3 months following the Supreme Growl**. Some Pounds are holding elections in the spring when the League holds their elections. This is **wrong**, our bylaws are different and must be followed. Installation reports need to be sent to me so the Kennel records can be updated and the Pack and Division Vice for your area know who to contact and how to do it. Please note that the installation form has been updated and may be found on the Kennel web site in an interactive format. Please use it.

The bylaws now require that all Pounds and Packs be incorporated in their state as a non-profit corporation. If you have not done this please get on it. There is a fine and possible suspension of your charter if it is not done.

The IRS form 990 must be filed annually, if your filing is not up to date make sure it is taken care of. If it is not, the IRS will revoke your non-profit status and it is very expensive and a lot of trouble to gain reinstatement. Check the installation report in the Scratchings to check on your Pound or Packs status. Passport fees should be sent in after each Growl as required by the bylaws. These fees should not be held as they belong to the Children’s Hospital fund and Kennel can get a little bit of interest off them if they are deposited in our account. It also lets us know that you are holding Growls and being active.

It is also time to get your dues paid. The membership year ended on Aug 31. If you are not a life member you need to pay dues for 2020. Please get with your Dog Robber and take care of this vital matter. **Some members have not paid dues for some time and were dropped from the rolls on Sept 1. Dropped members totaled 479.** This dropped our membership down to 5,422. If you are in this status you may not

(continued) wear MODD insignia or ribbons. To be reinstated, Kennel back dues for a maximum of 3 years and reinstatement fees for a maximum of 3 years must be paid along with dues for the current year. The Supreme Growl was well attended, and 84 DD's were elevated to PDD status. In past years we have never had a way to let those who plan to advance know that their paperwork had been received. I now post that list to the Kennel Website. So, look there and if you are not listed, contact your Dog Robber or Pack Dog Robber to make sure it is sent in by July 1. Congratulations to all the new PDDs. Please see the Scratchings for more information on what took place in Billings.

WOOF-WOOF,

Stephen C. Joppa
Kennel Dog Robber

SOUTHWEST DIV.

Woof-Woof Devil Dogs! I am PDD Aaron Bazan, the newly appointed Southwest Division Vice Chief Devil Dog and currently the California Pack Leader.

So far, it's been a great start after attending a couple of Pound Growls, the California Grand Growl elevating several Pups to Devil Dogs and the Supreme Growl where I was honored to be a part of the process in testing Devil Dogs for Pedigree Devil Dogs.

I look forward to serving at the pleasure of the Chief Devil Dog as The Great Southwest Division Vice Chief Devil Dog. Servicing, assisting and expanding our membership of the Devil Dogs. It's going to be a challenge, but I assure all the Devil Dogs that I am up to the task.

All is well in the Kennel and I'm anxious to meet the Pack Leaders and visit several Pounds making myself available to all the Dogs of the Order.

PDD Aaron Bazan
