THE BARK, BITE & HOWL OF THE KENNEL!

## BARKING DOG'S WOOF-O-GRAM

HAPPY NEW YEAR! HAPPY NEW YEAR! HAPPY NEW YEAR!

FIRST, to get something off my chest. We had a Pound that initiated a solicitation for a PDD member that had passed away, and this was objected to strongly, by a PDD from Florida. In the same vein, I have had many letters stating that this was a great idea, and I want to share with you at this time the letter from the originating Pound.

N Thanks, to all of the Marines of the League and the Devil Dogs in attendence at the Supreme Growl. I lost a friend in July 1986, Doug Hunt. He was sick for several years, prior to his passing. Doug was a Marine, a Marine Corps Leaguer and a Pedigree Devil Dog. When Doug passed away in 1986, he left an outstanding funeral bill, which was an extreme burden on his widow and son, Nell and Steve Hunt.

A hand made quilt was donated with the express purpose of helping to pay on this funeral bill. After several months of trying to get the tickets donated, I succeeded just prior to the Texas State Convention in June. Many Detachments, as well as the National Commandant, William Galvin, Ray Berling, Elsie Fowler, Bill O'Brien all took tickets for this most worthwhile cause. The Auxiliary of the Alamo in San Antonio was the first sizable donation with the purchase of \$200 worth of tickets, then the Department of New York with \$300., plus lots of one to ten tickets. In August at the National Convention I sold more. On Thursday evening at the Growl, the Devil Dogs collected \$300. in addition to Pound #79 of Clearwater, Flordia purchased another \$100. worth of Tickets. Billy and Jane Lawler of California donated \$25. as did Marine Arnold Leal of Corpus Christi,Tx. In all, We have collected \$1570 and another pledge of \$150. for a total of \$1720. On Sunday the 13th of September, with Marine Aurelio Perez and our U G H U N D

People in the Navy, the Army, the Airforce and the Coast Guard and those who have never been in the service at all, ask themselves and us what is so good about us Marines. I'll tell you now that the only people who made donations or purchased tickets, that knew Marine Doug Hunt was the ones in the State of Texas. But that doesn't matter. The cause was for a Marine's family, in need and they didn't stand on anything but their pride when they said, "I'll take a book" or"give me one." That's what being a Marine is all about. Yes, we all, including my self wanted to win the quilt. But like any other worthwhile cause, we know that our chance is slim to none.

The Winner of the Quilt was Abbe Gibbs of Rowlett, Texas, near Dallas. The winning ticket was sold by Marine Duckey Wilkinson of the Big "D" Detachment in Dallas. Thanks MArines and Devil Dogs."

### MID-WINTER KENNEL STAFF GROWL

At the mid-winter National Staff meeting, in Alexandria, Va on February 19th and 20th. The Growl hopefully will be after the business meeting on the 19th. We are trying to have the National Kennel Quartermaster there for the purchases you might like of Dogs' Gear. This is still up in the air, but look to buying: something, as we are sure there will be a representative of that office at the Growl.

Next order of business that I would like to discuss with all of you Dogs, and that is that according to our by-laws, "Any member of the League, who is under suspension by the League, is automatically suspended from activities in the Military Order of the Devil Dogs, until such time as he/she is re-instated in good standing, in the League." If it is brought to my attention, thatany Pack Leader or Poundskeeper, chooses to disregard this ruling, then I will see to it that charges are brought against said party.

After all, we are supposed to be the fun and honor society, of the League and we should act as such. Dog rules clearly state that to be a member of the Dogs, you must be in good standing in the League. Let us act like Honor Society members should.

It is rather disheartening as your Chief Devil Dog, not to know what your Packs and Pounds are doing. <u>PLEASE</u> put me on your mailing lists, as well as the Kennel Barking Dog. He above all, should get your letters so that he might put in more Dog Droppings, for our Woof-o-grams. You can't put out the word, if there isn't any. What one Pack or Pound is doing may be a catalyst for other Packs or Pounds to use for their efforts, in promoting the League and the Marine Corps, in general. (3)

We, PDD Barrows and myself are receiving regular letters from some of our Pounds/ Packs, and they are helpful, but I must say, the biggest supporter, we have right now is PDD Jim Lugg, out of Colorado.

There will be news of the Devil Dog Fund Raiser dispensed at the Mid-Winter Growl. PDD Hy Rosen is the head dog, so to speak. PDD Rosen is the JrViceChief Devil Dog.

In the Department of New York, each year there is a cruise to Bermuda booked and we would like to have any of the Pack or Pound members that want to join us, to get in touch with us at the Growl, and we'll answer any and all questions that might arise. The answer to the first question that is always asked, is The Cruise leaves and returns to NYC, so you would have to arrange to be in New York City, in plenty of time to make the connection. We'll discuss further at the Growl.

Semper Woof, Woof, and see you at the Mid-winter Growl

Thomas A. Banks Honorable Kennel Chief Devil Dog

## EDITORIAL TIME .....

As the Pulcritudinous Pachydermhas already stated there is a sore need for your Dog Droppings, if you want this paper published. The imagination of your Editor is not like those that have served in this capacity before. I can only print and expound on subjects that are sent to Kennel.

There are times that I will print things in this Woof-o-gram, that are controversial, and that is the only way that I can speak. I will defend to the limits of my abilities, anyone that I feel needs defending, and I will condemn any that need condemnation. I speak my mind on issues and this does not reflect on any of the other leaders of Kennel, Packs, Pounds. I will be at the Mid-Winter Staff meeting and Growl in February, and will answer any and all questions that you may ask, to the best of my ability. My only ambition in the League and the Devil Dogs, is to further the efforts of both, and to reflect positively the merits and advantages of service in our Beloved Marine Corps.

I was a hard a -- for twenty one years in theCorps, and as many of you who know me, will also ascertain, I am a hard a -- in my workings with the League and the Military Order of the Devil Dogs.

Our illustrious Flea Feeder, asked me to undertake this job, and I wiil try to earn his gratitude in doing the best job possible, and am more than certain that you Dogs, will come forward with the information that we need to put out this Woof-O-Gram.

I am asking, however that when you write to me, please include your name, address, and identify whether your news is a Pack venture or within your Pound.

To be a Devil Dog, was the highest point in my association with the League, and may I remind all of you, that it is an Honor to become a Devil Dog, and that only your Detachment can submit your name for entry in this elite club. Only hard workers that are an asset, to both their Detachment/Department or the M.O.O.D.D. should be presented for membership.

Now that you know where I stand, let me know how that sits with you.

Yours, for the League and the Dogs.

# KENNEL KOMMENT

Recently some members of this Order approached me with the intention of turning in their membership cards and it was only with some fast diplomatic talk that I was able to persuade them not to place themselves in that position. The reason for this occurance? They stated that there were persons being harbored in a couple of Pounds in this Order who have not served in the US Marine Corps. The By-Laws expressly prohibit Non-Marines from holding membership in this organization. All transmittals are screened against the Marine Corps League printout of associate members provided me by National Headquarters. This is easy, but we have instances where a person (Non-Marine type) has been provided with a regular membership in the Marine Corps League, maybe even a Life Membership. This makes them doubly illegal. Should officers at the Pack and even Kennel level know of these situations they are committing a greater sin against their fellow Marines - DECEIT. If my own Father or Brother were provided with a membership in this Order I would throw their ass out because they are not Marines.

I have been screening my cards files vs: the computor printout of the Kennel and find that I have as many as five hundred names whose dues have not been paid. This is in addition to the two thousand members who did pay their dues last year. Many of these have not paid for three years or more. I cannot afford to pay the computor service to maintain these names in the file, and print a card every year. I am therefor deleting all members from the computor delinquent four years or more. Somebody out there on the Pound Level is not doing their job. I selected one of our troubled Pounds who have a large roster of members but only a few currently paid members, and sent a letter to the delinquents. Over fifty percent of those mailed sent me a check for their dues stating that no one was billing them for their dues (I will kick back Pack dues). It only takes a few hours a month for someone to do the Pound job. Lets not floose these members. Lets not loose these members. During the past six months twoDorithree Pounds have sent me applications of hewe sent me af members without transmittals. I am holding them in my work basketho Younhave been my work bas notified long ago.

## DOG DROPPINGS.....

The following areas were responsible for some of the Dog Droppings reported herein:

Ocala, FL, Clearwater, Fl. Sy-Cor-Bin Pound out of Binghamton, Syracuse, and Cortland, New York, Pound #11, Sunrise Detachment, Long Island, NY, Landis-McLeaf Detachment Pound #132, of PA Pack, Pd #37, Rochester, NY, Pd # 123 of Pack of Wisconsin, and Pd #112, of the California Pack.

Thanks to all.

Our Honorable Chief Devil Dog (His magnaminous massiveness) was given a surprise Birthday Party, aboard the cruise ship to Bermuda, in November of this past year. In attendance were PDD Pfieffer of Rochester, and PDD Pomroy of 'NY Pack. He was given many Black Baloons announcing "Over the Hill", and a good time was had by all. Understand they drank the boat dry of scotch, and no-one "Fed the Fish", although they ate like 20 year old "Grunts"

THOSE DEVIL DOGS WERE HERE ... donating a handmade toy chest, stacks of toys and stuffed animals to Pediatrics. Dodie Roberts and Carol Toner were on hand to welcome the Marine Corps League "Military Order of Devil Dogs." Sister Margaret was also on hand at their annual convention to receive money for the purchase of two lounge chairs for Pediatrics.

From Dover, NH an excerpt from their newsletter: after elections of Pd Officers.

"The above listed Devil Dogs appear to represent the "Cream of the Crop" or "Pick of the Litter"? Throughout the year as we roam, rape, pillage and plunder non-Devil Dogs (Those that do not stand on their hind legs, those who do not meet our standards of excellence, those who just whine, whine, and whine, stand aside) We will Woof Woof our way into Dog History for all Dog Eternity... #### BEWARE OF DOG!

There is no place to hide in the Pack of New York, because the new Kennel Chief Devil Dog, is Tom (Cigar stuffed) Banks, of Massapequa, NY. No one is safe from the new BIG DOG. And if you see PDD Mary (Probie) Wanser, in your travels better tuck your tail between your legs and crawl away from the meanest, bone swinging school marm, this side of the Ohio River, and she has already proved it at the Pack Growl, in Massena.

LUN

From Barking Dog, Buddy Stewart, of FL:

Many G-R-R-s at our Growl in Ocala- Well, Pedigrees, Devil Dogs, and you mangy Pups, as you well know our M.O.D.D. Growl was at Ocala and was about to start, when it was discovered that "Some dirty back alley stray(orstrays) had absconded with some of the necessary acoutrements needed in order to keep our cold, wet nose and our tails happily wagging!

Now, who could have done such a dastardly deed? Well, after much digging in the backyards and under many fences, we discovered(after being blackmailed for many bones) that it was the Dept Fleas! Under the direction of one D.S.,No names, please, that had masterminded this sordid caper. (Ladies, please remember "Every Dog has his day). Semper Woof, Woof.

Get Well!

On the 24th of January PDD Gil Gray, of Kingston, New York, will be entering the hospital for surgery, and it might be nice if he were sent well wishes for a speedy recovery, by all of you Dogs, out there. His address is as follows:

> PDD Gil Gray 77 Greenkill Avenue Kingston, New York 12401

Also, in the same vein, please be it known that our PDD Richard Lawless, is at home suffering from an acute illness, and we know that cards from you Dogs, out there will help lighten his suffering; Get Well!

> PDD Richard Lawless 600 Newell Street Syracuse, New York 13205

I understand that our former Chief Devil Dog, and Present PKDR of the Dept of New Jersey, is enjoying his new married life. How about filling us in on your "Honeymoon", or whatever little tales of enlightenment you may have.

Understand, also, that our illustrious "Bag of Empty Charms," T.A.Banks, is entertaining the idea of retirement in June. His Lady is going to join him in retirement in July, and I guess that means he'll be "free-loading" at my house sometime after the National Convention. Right. Tom?

Only Kidding, he is welcome at my house anytime, if he brings money. but I don't think, his Cherry River Naw's 4 star Admirals' plate will get him on LeJeune base.

Thats all the Droppings for this Woof-O-Gram, 'cause it's all I was sent. If you want your Pack, or Pound in print, please send me something.
