## Devil Dog Creed

**I am an American: I was born in France. I hold the title of United States Marine, and understand the commitment of holding the title, Devil Dog. It is a tradition born at Belleau Wood in the year 1918, of a Force In Readiness and the "First To Fight". As a Devil Dog, I ask no quarter and give no quarter. I will do everything in my power to uphold the objectives of the Military Order of Devil Dogs and to carry out my duties to a swift and satisfactory completion.**

Growlings from the 59<sup>th</sup> Chief Devil Dog

CDD Tom Hazlett

Woof-Woof! to all Dogs of the Order.

It's beginning to look a lot like Christmas...sorry to borrow a line from a Holiday Song but, the temperatures are dropping, and the atmosphere around seems to have changed a bit. I do hope you are all safe and well.

Once again, the ugly COVID-19 Virus has reappeared, and it seems to be worse than the first time. Please use common sense when around groups of people and get through this segment.

I have had several opportunities to attend Growls in MO, NC, and in NJ. All were fantastic and without a doubt some of the best Growls I have ever attended. My congratulations to the Pack Leaders and the Pound Keepers for putting on incredibly Fun and Entertaining Growls. I have had to rethink my method of carrying my Big Bones to the Growls. I used to laugh at the Honorable 58<sup>th</sup> Chief PCDD Spicer for carrying his ammo can. I think I have now graduated from a small version of a ditty bag to a larger container. My apologies Honorable 58<sup>th</sup> for laughing at your ammo can; I now see how wise you were. 😊

Speaking of having fun and a great time, just last week; I had the Honor and Privilege of presenting the newest Pound in the Kennel their Charter VIA a WebEx. Pound 393, the Tunnel Rats of Hawaii, had their Charter presented and then I had the opportunity to install their newly Elected Officers. Congratulations to all the newly Elected Officers. I know from the number of Pups that I have obligated; Pound 393 will become a large and successful Pound.

Our Mask fundraiser which has been going on for the past 4 months has really been a huge success. My thanks to our Honorable Charity Dog, PDD Vanner for all her hard work. Even though she had a major surgery, (if you recall, I had stated in a previous article that she had her head and butt wired together) (Neck surgery) and even though she was out of commission for a while, I could still depend on her to assist. I would also like to thank PDD Lisa Ciesielski of the NC Pack for making masks and donating them to the cause. I am sure we have raised several thousands of Big Bones and I will ask the Honorable Kennel Executive Director to Bark out the numbers during our next Growl of the Kennel.

I do hope that you all have a very Merry Christmas and a safe and Happy New Year. Please take a moment to remember all our Brothers and Sisters that are no longer with us. I would hope that each of you remember to thank our fellow Veterans for their service to our great Nation. Once again, I thank all of you for the work and efforts that you have done to assist families during hurricanes and storms; also, I want to thank you for helping your fellow MCL members to aid their communities by participating in your Toys-for-Tots or other related programs which focus on the children of your communities. I am most grateful for how you dig deep into your pockets and contribute to our Children's Hospital Fund. I have seen hundreds of Big Bones donated at every Growl I have attended, and it makes me feel so proud to be involved in an organization that does so much for so many. You are some awesome Dogs!

I hope to see many of you in Norfolk for the Mid-Winter Conference and Mini-Growl. Remember, you do not have to be a PDD to attend the Mini-Growl, all Dogs are welcome. I know we will have some fun events and don't forget to register through National to attend the event.

May our Heavenly Father watch over each of you and my very best wishes to you all for a Safe and Happy/Healthy Holiday Season. Please remember to keep our fellow Marines, Sailors, Soldiers, Airmen and Coast Guardsmen in your thoughts and prayers; especially those who are in Harm's Way. Let us move from 2020 to 2021 and make it a Kick-Butt year! Oh, by the way, there is talk about a possible Dog Gathering down in Mississippi in late September. If you attended the Dog Gathering in Ocean City, MD., you know what a Dog Gathering is. PDD Clifford Addison of Mississippi has been snooping and sniffing around and has had a very large and beautiful Hotel/Casino send a proposal to me for consideration. We will Bark about this later but, be thinking about the last weekend of September for a possible Gathering.

Merry Christmas and Happy New Year to all!

Semper Woof!

Tom, 59<sup>th</sup> CDD

*Merry Christmas & Happy New Year!*

## Sr. Vice Chief Devil Dog PDD Alan D. Sanning

Woof-Woof, with all of the challenges thrown at us in 2020, I hope you and your loved ones have been able to close the year out with a joyous Christmas, even if not a completely traditional one. Ultimately, the low points and challenges of the year have certainly made the good shine a bit brighter for me in contrast. Now with vaccines hitting the streets I believe I'm seeing a bit more light at the end of the tunnel, too.

Undoubtedly, one of the brightest spots was the October "Gathering of the Dogs for the Devil Dog Weekend" in Ocean City, MD. Bravo Zulu! What a brilliant idea, K-9 Kudos to all involved in planning, executing and participating in a great weekend of camaraderie, interesting seminars, relaxation and fundraising. When is the next one, I look forward to it!

As with many others, our Pound and Pack had begun having Growls again and they were very welcome and much enjoyed, however, again as with many others we have had to turn things back down here in the late fall with the uptick in COVID-19 cases and its local impact. It has been gratifying to see so many Pounds and Packs taking advantage of technology to stay in touch and keep things moving forward, BIG BARKS for all of your efforts. Keep it up and we will prevail. Hopefully, we will see some reports in these pages as to what has been working and what has not worked for Pounds and Packs out there trying new things, please share your accumulated knowledge and help others along. Two areas to be mindful of:

1. Keep a watchful eye for those deserving to be invited to join the MODD once the opportunity presents itself; it would be easy to let them slip by under the current climate and we don't want to let that happen.
2. Continue efforts for the Children's Hospital donation during the Supreme Growl in Springfield, IL next August. With Growls down, passport fees will be as well. Look for alternative opportunities to keep the bones coming in. Despite the reduction of Growls, I will be passing Big Bones to our Dog Robber to equal or exceed what I would normally be putting out in a typical year for passport fees and fines.

With the Mid-Winter National Conference in Norfolk, VA right around the corner, February 25<sup>th</sup> – 27<sup>th</sup>, remember that the Kennel Growl at Mid-Winter is open to all Pups and Devil Dogs, as well as Pedigree Devil Dogs so start making your plans now and insure you are registered early. You can find a link for additional information by scrolling down on our home page, <https://militaryorderofthedevidogs.org/>. The Growls at Mid-Winter continue to be a great time, so come on out and Growl with us and have some fun.

Finally, take care of yourselves and your loved ones. I look forward to seeing many of you in Norfolk and even more of you in Springfield, IL!

P.S. If trying to reach me via email, be sure to use [sfgactivities@gmail.com](mailto:sfgactivities@gmail.com) it is the only email I check!

**BIG BARKS TO ALL THE FOLKS AT CMMG – JOB WELL DONE, THANK YOU!**

Jeff Overstreet, one of the co-founders of family-owned precision firearms manufacturer, CMMG Inc. in Booneville MO, generously authorized the donation of a custom cerakoted Rolute 300, Mk4, 5.56mm rifle to the MODD. Subsequently, with five great prizes going to five different winners. The \$1600 rifle became the centerpiece of the 2019 CDD's Winners Choice Raffle in Billings, MT.

*CMMG Rolute 300, Mk4, 5.56mm Rifle*

Since 59<sup>th</sup> CDD Tom Hazlett had scheduled to attend the MO Pack Grand Growl this past June, the Chief planned on making a trip to CMMG in order to personally express his thanks on behalf of the MODD for CMMG's generous donation to fundraising efforts for the Kennel's various charities and projects. However, with COVID-19 leading to cancellation of the MO Pack Grand Growl the Chief modified his schedule and, along with an entourage of Missouri Dogs, made the trip to CMMG on Friday October 23rd in advance of the Midwest Division fall conference the following day.

Ryan Stockamp, Director of Business Development, welcomed the Dogs and led an informative tour giving an overview of CMMG's impressive line of firearms and manufacturing process from design to final inspection for form, fit and function before shipping them to dealers around the country. Mr. Stockamp and various craftsmen answered the Dogs many questions on the processes involved in putting a quality precision rifle out the door.

Following the tour, CDD Hazlett presented a plaque to Mr. Stockamp expressing the MODD's gratitude to CMMG for their generous donation in furtherance of the Kennel's efforts. Mission accomplished!

Woof-Woof Devil Dogs,

I trust that you are remaining safe. This Pandemic has lasted far longer that I had expected and I am afraid that this could be the start of the new normal. Please keep a check on the members of your Pounds and Packs. Don't let too much time pass without reaching out and Barking at them.

All Wipeout Coins and Patches ordered through me have been mailed out. They both are still available, but you must order them through the Honorable Kennel Quartermaster PDD Wendy Zamora.

Please contact her @ [Kennelquartermaster@gmail.com](mailto:Kennelquartermaster@gmail.com)

I am so happy to see that Pounds and Packs across the Kennel have stepped up and joined "OPERATION CHOWHOUND". Some of the latest to join the program are the New Jersey Pack, The Red Knights Pound 138 of the Michigan Pack, and the Tazmanian Devil Dogs Pound 227 of the N.J. Pack. Thank you Devil Dogs for what you are doing to make a difference in your community. Operation Chowhound is a program to help our 4-legged Brothers and Sisters. At every Growl, the Devil Dogs attending will bring Dog or Cat food to be donated to the area Animal Shelter. Please consider starting this program. Any questions please give me a Bark.

On 09 November, myself and some of the members of Robert V. Flowers #143 of the NC Pack and DoNC Commandant Rick Thomason were invited by Pound Keeper PDD Julianne Froncek to go aboard MCB Camp Lejeune for Marine Corps Birthday Chow. The Corps sure has changed. I don't remember Steak, Lobster, Shrimp Cocktail, Baked Potato, Corn on the Cob and Birthday Cake in the Chow Hall. We had a great time socializing with active-Duty Marines and Pound members.

We have a new Pound in the Kennel. On November 28<sup>th</sup> I attended (by WebEx) the Charter Presentation of the Tunnel Rats Pound 393 of Hawaii. They seem to be a motivated group of Dogs and I look forward to great things to come from them. Hopefully when the Hawaii Pack is formed, I will have enough Bones in my Dog Bowl that I can physically attend. Christmas is just around the corner. I hope that all Dogs have a safe and Merry Christmas and a Happy New Year celebration. I look forward to seeing many of you @ the Mid-Winter Conference in Norfolk, VA and can't wait till August in Springfield, IL for the 81<sup>st</sup> Supreme Growl where we will meet again in Growl Assembled.

Woof-Woof,

I am hoping to see everyone at Mid-Winter or sooner if possible. If you have not signed up please get this done.

The QuickBooks merge with the Point-of-Sale (POS) system has been a success. The webmaster is now working on the online store but I will let him talk about this. As everyone knows, COVID-19 has hurt our Growls, which also means it hurt our income. That being said we are still in good shape with our funds. Just so you know as of writing this article, we have 24K in the Children's Fund already.

Our new website is looking good except for the Packs and Pound information that was asked for. Please read the Kennel Webmasters report and get him the information he needs to complete the site.

I hope everyone had a wonderful Christmas this year even though we were quarantined from our loved ones. Now that 2020 is behind us, we now can look forward to getting back to some type of normalcy where we can once again gather together as Devil Dogs. I want to personally thank everyone who ordered Marine Corps masks to support the Children's Hospital Fund, and because of your support; we raised thousands of Bones. This couldn't have been accomplished without your help. Let's give a big WOOF-WOOF to the Pounds that went above and beyond to raise a significant amount of Bones for the Children's Hospital and another to those who hosted the Chief at their Growls. I have a very good feeling that 2021 will be a banner year for donations. So please keep up the good work. If you need any assistance, please feel free to contact me at [barbaravanner1422@gmail.com](mailto:barbaravanner1422@gmail.com). I will be more than happy to assist you. Take care and be safe. WOOF-WOOF,

Merry Christmas from Missouri! Since 9-11, my Flea and I have been on the road, trying to stay as active as possible. Most of us are attempting to make the best of things right now. PMA. Positive Mental Attitude.

During September, I attended two Pound Growls and a Pack Growl. Enjoyed a fun Growl with Pound 86, Home of the Honorable MWD VCDD PDD Chuck Covert. Two Mongrels, with WAGGING TAILS, were Initiated and Obligated. Welcome Aboard Pups Russell Gatewood and Jason Todd. It was great to visit Pound 66 with the Honorable 58<sup>th</sup> PCDD Leonard Spicer and Install the new Officers. Congratulations to Sir Pound Keeper DD Jason Reimann and his Team. The Missouri Pack Growl was a blast and the Honorable SVCDD PDD Alan Sanning, aka "The Big Bone Pirate", entertained us all with his questionable shooting skills. ARRRRG.

October was a busy month with a trip to Maryland, three Pound Growls, the MWD Fall Conference & Growl and a memorable one to say the least. The Chief and our Honorable 51<sup>st</sup> PCDD Don Garland made MODD history, with the first "Gathering of the Dogs for the Devil Dog Weekend". This was held 1-4 October, in Ocean City, Maryland.

Too many firsts happened to list them all here. DD Scott Bryan attended via video all the way from Hawaii and donated a pile of Big Bones for the Hospitality Room. The Growl was unforgettable with beard shaving, pie in the face fundraiser and a "Special" presentation to the Honorable 59<sup>th</sup> CDD by PDD Jeremy Barton. What a HOWLING good time! Go to the Kennel Facebook Page; [\*\*Military Order of the Devil Dogs – Kennel\*\*](#), for all of the pictures. Plans for a 2<sup>nd</sup> Gathering in Biloxi, Mississippi are in the works. Don't miss this event! My home Pound "Welcomed" a new Mongrel. Pup Rafael Machuca, aka; "Tutu Dog", to our Order. It was humbling to be sworn in as Sir Pound Keeper, for Pound 330, by the Honorable 58<sup>th</sup> PCDD. Thank you, Chief! Pound 330 also presented a COA to a local business and submitted an article to our newspaper. This was good PR for the MODD. The Honorable 59<sup>th</sup> CDD Tom Hazlett, flew out to Missouri and kept me on my paws from the 21<sup>st</sup> to the 25<sup>th</sup>. We drove to Springfield, Illinois and met with the Convention committees at the hotel for the 2021 National Convention and Supreme Growl. Thank you to the Honorable Kennel Watch Dog PDD Randy Webber and the Illinois Pack, for your hospitality. The Chief has ensured that the MODD will have the entire lower level of the hotel for the week. Great layout for the MODD! The Chief led us to Boonville, Missouri on the 23<sup>rd</sup>. We toured the CMMG Gun Factory and presented a plaque from the Kennel. CMMG donated a Resolute 300 rifle for the Chief's Raffle. That evening, the Chief Installed the Officers for Pound 77 and helped them celebrate their 455<sup>th</sup> Birthday (65 in human years). The Honorable MWD VCDD, presented an LSU Tiger to The Chief. All Dogs involved in or with knowledge of, this "Special Gift" were HEAVILY fined. The 24<sup>th</sup> we attended the MWD Fall Conference & Growl. The Growl was about 3 hours long, but worth every minute! We raised over 1400 Big Bones for the Children's Hospital. The DVCDD really put together several FUN contests. The Chief was still laughing when he flew out the next day. A Halloween Growl, with Pound 371 closed out the month. This Pound is small, but meets EVERY month. The comradery of these Dogs was inspiring! WOOF-WOOF!!!

The month of November was bittersweet for me. The 245<sup>th</sup> Marine Corps Birthday Ball, three events for Veterans Day, Toys-for-Tots and Thanksgiving. On the 19<sup>th</sup>, DD "Chick" Crites passed away. He was a proud member of Pound 373, in Marietta, Ohio, a Vietnam Marine with a Purple Heart and my Friend. The trip back to West Virginia for his funeral was tough. Fair Winds and Following Seas, Brother. Karen's family filled our house with laughter for Thanksgiving and we needed it. On the 28<sup>th</sup> The Chief presented a Charter to the "Tunnel Rats" of Pound 393 in Hawaii. It was a challenge to hold the ceremony via video conference, but we made it happen. Congratulations to Sir Pound Keeper DD Carl Vincenti and the Hawaii Dogs. It's an Honor to be a Charter Member!

December started off with an 1150-mile drive last week. It was my first Growl with Pound 110 in St. Joseph Missouri. DD Jim Ellison and his lovely Bride Barb, made Karen and I feel welcome. Thank you both! We visited the grave of 1<sup>st</sup>Lt. J.G. Schneider USMC. He fought at Belleau Wood during WWI and was awarded the Navy Cross. Lt. Schneider was KIA on 1 NOV 1918, during the Battle of Meuse-Argonne, near Exermont, France. He was one of the Original "Devil Dogs".

At the Pound Growl, Mongrel Corpsman, Jesse Brookshire, became a new Pup. Welcome Aboard, Doc! Sir Pound Keeper PDD John Kelly, has an interesting Dog Tag number. 84-264. WOW. Sadly, DD Ellison lost his brother to cancer the day after the Growl. Condolences to him and his family. After delivering a raffle prize to Nebraska, Karen and I returned to our Dog House. Thank God the Secretary of War will travel with me and is willing to drive so much. Couldn't do it without her.

This entry has gone a little longer than I intended, but there is one more thing I want to cover. Many of you are locked down right now. This is the perfect time to go over the basics. Go to the Kennel Website:

**[militaryorderofthedevildogs.org](http://militaryorderofthedevildogs.org)**, click on "Publications", scroll down to "Obedience School", download the training PDFs and go over them. Too many Dogs need to brush up on the basics. Yes, there are even PDDs who do not have their Passports filled out correctly, Dog Tags engraved and MODD patch sewn on right. All Officers should be familiar with the Bylaws and the Ritual. All Dogs should be able to Report at a Growl. You Dogs that are squared away should be helping those who are still struggling. We take care of each other.

Those who are fortunate enough to be able to attend Growls right now, remember.....

We are the Fun and Honor Society of the Marine Corps League.

It's an **HONOR** to be a Devil Dog.

TIS THE SEASON.....REMEMBER THE REASON.....

I hope this article finds all of our Dogs healthy and wish those at the Vet, a speedy recovery. I know we all do not like to have to visit the Vet, but he/she does make us feel better. Well, we did it, a successful gathering in Ocean City Maryland. I hope we will be able to meet again for the Mid-Winter.

I am so excited to see the direction the Dogs are moving in, with all the crazy stuff thrown at us, we are still continuing to serve our missions. A big congratulations to all who are diligently working to make our goals a reality. It takes a whole kennel to make the MODD a success and we are proving just how good we are at overcoming obstacles, just like we did when we were still in uniform (doing great things with little to work with). That is what makes us a GREAT organization. Keep up the good work of the Order!

This time of year brings more challenges: Toys-for-Tots, Food drives, VA Visits with Vets, and many others. It is truly the season of giving. If you find yourself feeling alone and stressed, the best medicine is reaching out to Brother and Sister Marines. I speak from experience here. Don't bear the loneliness by yourself, there is nothing more uplifting than enjoying being with other Marines and better yet, helping others while you share time with your Marine Family. We are all Family, and my phone is always on for you!

That time spent with Family (Brother and Sister Marines) helps us remember the reason for Christmas, the free will giving of ourselves to help others. I come from a big family, we did not have much and many made fun of our family when we were young because my Dad built our very small house himself and we did not have a house built by pros with all the bells and whistles, but what we had in love for each other made up for any and everything others had (materialistic stuff) that we did not.

2021 looks to be as challenging if not more so, than 2020. Keep your nose to the ground and sniff out opportunities to make new and good things happen in your Pounds and Packs.

Take time to call and check in on those you have not heard from in a while. If you have a MODD function coming up, plan on attending and make your route to the event one that will allow you to swing by and pick up some of those Dogs that otherwise would not be able to attend. That's a bonus because you get to tell sea stories on your way there and home.

I had an opportunity to travel to New Jersey and while I was there, I made sure I found time to revisit with some of my MODD Family there. We had some good chow and it was good to catch up on the family and friends, as well as MODD stuff that was going on.

The best present is a call or visit from friends and family, so be merry and Have yourselves a Very Merry CHRISTMAS and a very Happy New Year!

## Handing off the baton

*Eventually a moment in time will come where I am not the Honorable Kennel Dog Trainer. Whether it is because I resigned from the position, or lost in an election, I recognize the sands of the hour glass are not on my side.*

*Jen, my best friend and wife, is one of many of are waiting with abated breath to see how the pandemic affects them. She has gone through a series of two (2) layoffs, and has been blessed to have kept her job. As the days of the calendar fall off, shortly before Christmas, while many are preparing to the celebrate the holiday, in whoever they see fit this year, she will find out if she has a job.*

*If she loses it, the home that I sit and type this from, will not be where I lay my head in the future, as I do not make enough through my retirement to keep us here. In order to converse bones, big and small, she and I have taken inventory or what we spend, and why.*

*The Honorable Kennel Dog Trainer is responsible for their travel expenses, and for covering the cost of sympathy card, both buying and mailing them. I recognize there is a budgetary line item of \$100 big bones. The problem with that figure, is does not cover the cost of purchasing all the sympathy cards that need to be purchased, let alone the cost of postage.*

*I am pretty sure the Honorable Kennel Executive Director, Honorable Chief Devil Dog, or the Honorable Kennel Board of Trustees would cover the overage. I say "pretty sure",*

as I have not once billed the League or the Order for anything, not the Detachment, Department, National, or Kennel level. Once. So, I honestly have no clue how that plays out.

I do know, I do not have the ability to cover it, as I have previously, until I am reimbursed. Not when every penny, nickel, dime and dollar is being counted in case my wife loses her job.

I realize there are those who are upset with that. My response is, I am sorry. As the Honorable Kennel Dog Trainer, I have set out to make sure that when a Dog dies, their family knows we care, and it is a responsibility that I take seriously. It is why I have paid the big bones, not the Order, to have our Final Roll Call published in the National Mid-Winter Conference Program Book and National Convention Program Book. As the Order does not cover that, I do. It is my way of making sure ALL who attend know that the Dog that has passed on, is remembered by us, and they are not forgotten.

I am well aware that these are times when hearing that someone cares, is very much needed. It is why I am prepared to resign, so that a Dog who has more certainty in their finances than I, can serve you.

Make your request known to our Honorable Chief Devil Dog, CDD Thomas W. Hazlett, Sr., and I will step away. I bare no ill will, as serving others is what I vehemently love to do. If this is asked of me, I will do so with a cheerful and grateful heart.

God bless and as always, Semper Woof.

## Kennel Smart Dog PDD Evie Remines

Woof! Woof!

As this pandemic rolls on, I along with everyone else, is getting tired of masking up, washing hands, keeping distance, and missing events. However, as the climbing number show, gatherings like the ones at Thanksgiving isn't helping. Considering this, I hope everyone keeps to their homes for Christmas so they can protect themselves and everyone they love. Vaccines are on the way and even if you choose not to take it, it will greatly reduce the number of people getting COVID-19 and send us on our way to becoming "normal" again.

I'm still available to take any emails or phone calls regarding questions with the Kennel, Pack or Pound By-Laws. I am also taking proposed Kennel By-Law changes to be presented at the 2021 Supreme Growl. They are due to me via email or snail mail no later than 15 March 2021. We'll have a lot to cover with the 2020 proposed changes added, so be sure to log onto the MODD website in late May 2021 and review these changes before you come to the National Convention. With email, the WOG, and the MODD website, there's no reason to be misinformed! Pack Leaders and Pound Keepers, please take responsibility for keeping your Dogs up to date on anything going on with the MODD!!

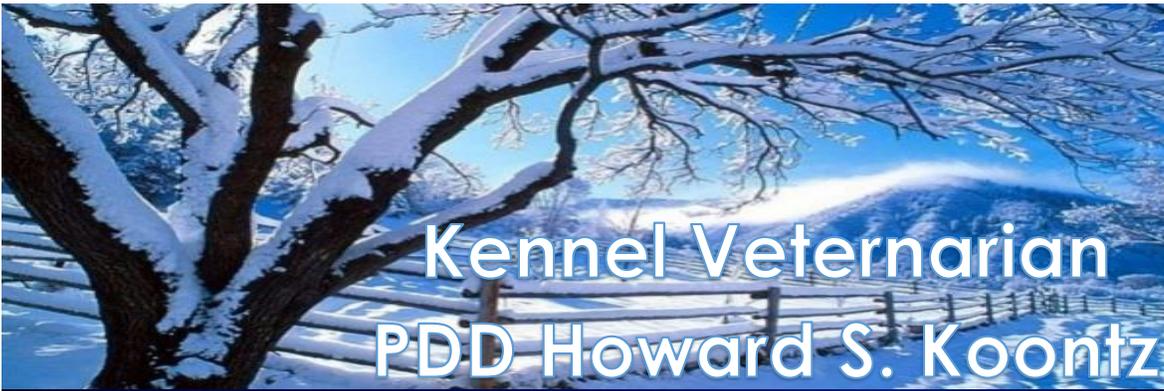

Have a Merry Christmas, Hanukkah Sameach, Happy Kwanza, or Merry Whatever-You-Celebrate!! Please stay safe so I can see you all again soon!

Respectively yours,

Woof-Woof,

Good day Dogs, the 2021 Marine Corps League Convention will be probably the largest gathering of Devil Dogs going up for their PPD for many years. I think the weather will be good for the events. The average temperature will be in the 80's and about 60 at night. If you were at the Mini-Growl in October, you probably heard my little talk about what I would like all the Handlers and Assistant Handlers to do before the Convention. If not, here is what I would like.

Before arrival, please tell all prospective PPD's to bring:

1. At least a week's worth of medications and a current prescription for the meds. (in case the medications are misplaced or lost).  
I just was informed that in-room fridges are not common at the hotel. Neither are microwaves. Please bring an insulated bag for ice. Put your meds in a plastic bag before placing the meds in the insulated bag.
2. A file card listing their medications and allergies.
3. On the file card the phone number of their doctor.
4. On the file card place a list of their medical problems, i.e., Diabetes, heart problems, stroke, bad backs, or joints problems.
5. The name of anyone traveling with them and their cell phone number.

This card will be attached to their ID lanyard for prompt identification if a problem arises.

I expect a medical crew of 4 trained professionals, 3 Males, and 1 Lady, all Registered Nurses, and/or experienced in Emergency care. We will be available throughout the week starting August 7. My cell number will be 443.756.0886. The other cell numbers will be given at the BAS. We will be wearing a white coat, some covered with patches, others not. There will be roving patrols where the Devil Dogs will be, inside or out. If there is a problem, call me first. I will alert the other team members. If I don't answer, call another Corpsman.

All Devil Dogs will be inspected and questioned about their Veterinary history at the Dog House, if they cannot show a recent rabies tag, they will be given my own personal Anti-Rabies and Flea medication. This will be administered at the BAS on arrival and check-in. A tag will be issued to them that will be displayed on their person at all times. A small bone fee will be collected. Remember, the Fleas will be a constant annoyance, so it is important that each Dog is vaccinated. We will have protein meat sticks for sale also.

Please, strongly reintegrate that this week is a fun week, a week of learning what it is to be a PPD, a week of bonding, and learning how to work together. There will be some Devil Dogs who push themselves to their limit or beyond because they don't want to look weak in front of their peers. This is where the Handlers come into play. If you see someone hurting, stop them, let them rest or call for assistance.

I am now available for questions from 8 AM to 8 PM. Please call me or leave a msg with your name and telephone number. My e-mail is formernavalperson1@hotmail.com I will return the call ASAP. Here is a little memory bug for everyone.

Signs of a Stroke: **Balance** - unable to keep balance  
**Eye** - blurred or loss of vision in one or both eyes  
**Face** - uneven smile or tongue moves to one side  
**Arm** - weakness in one or both arms  
**Speech** - slurred  
**Time** - get help fast

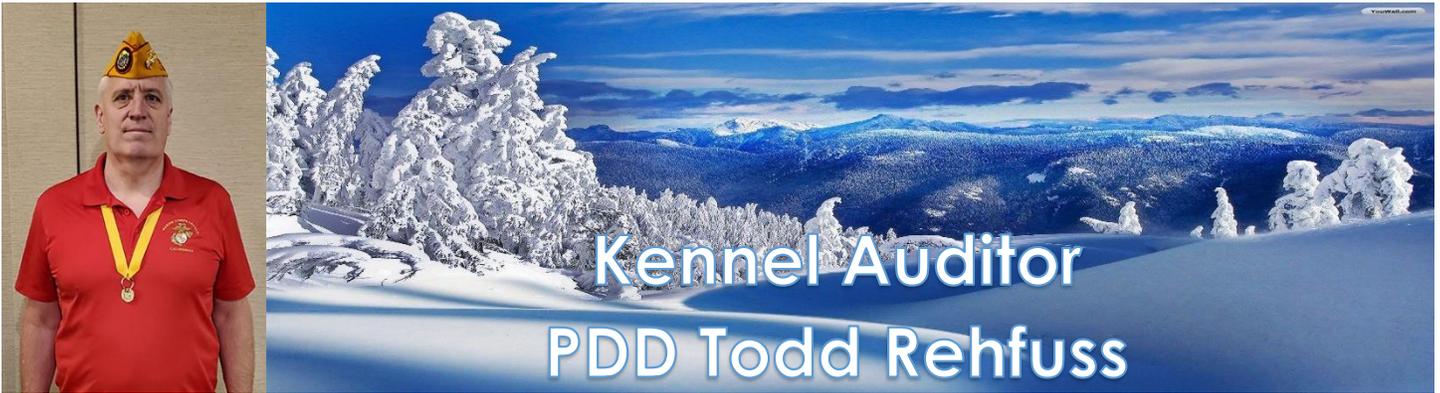

or in other words **BEFAST**. The first hour is critical. The stroke can be minimized within that hour with the proper medicine.

I am looking forward to a great and fun Convention.

Here is some picture from the Halloween MODD ceremony in Hawaii. On this occasion we initiated 2 Mongrels and advanced one Pup to DD.

1st picture - Claudia Moreno being initiated.

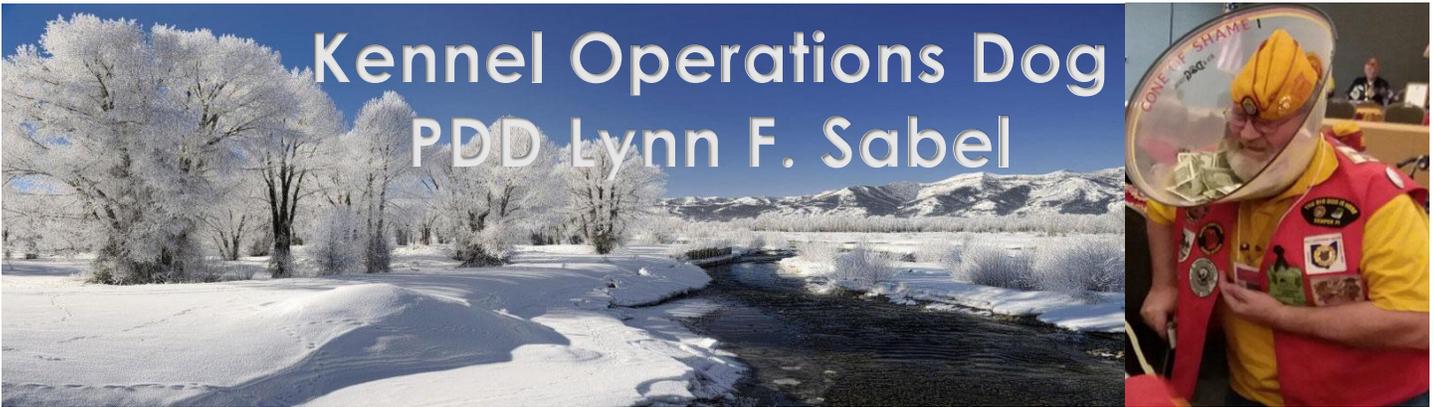

2nd picture - Claudia Moreno and DD Lenny Ho (who is the senior Hawaiian Dog) with DD Carl Vincenti in the background.

3rd picture - Carl Vincenti advancing to DD.

We will then do the charter presentation at the end of the month. I will arrange to have more pictures then.

Woof-Woof!

Woof-Woof to all Dogs of the Order,  
The Mid-Winter Conference is coming upon us quickly and for all Pups and Devil Dogs if you want to know what happens at a Supreme Growl, the Mid-Winter Mini-Growl is where you can see what happens. It is open to all Dogs (not just Pedigrees like at the Supreme Growl). Make sure to get your Registration forms in and make Reservations at the Sheraton Norfolk Waterside Hotel. Please try to have the correct change when registering at the Dog House. Please have at least one \$5 and five \$1's.  
For any Devil Dog who wants to advance to Pedigree in Springfield, IL in August, now is the time to talk to your Dog Robber and get your advancement forms in. You don't want to wait till the last minute and then not able to advance due to your paperwork wasn't in on time.  
Hope to see you all there.

**OK, Some Dogs are not listening or paying attention. NO in person GROWL's unless you wear a mask, over your snout covering both the nose and mouth AND maintain 6' plus distance between you and another Dog not of your den or doghouse. Growls are being scheduled then need to be cancelled.**

Now we are *zooming* but how does your Police Dog collect the fines, I have heard of the long "arm" of the law, but I personally do not know of any Police Dog with that long of a reach.

Paperwork needs to be done though-990s, State incorporations, and my favorite, Report of Installations. Officers may be continued a year with the current staff, but a ROI needs to be sent in. Have a zoom Growl, call it a Zgrowl and have a vote to see about extending the current slate of Officers and send it in. No installation is needed if doing this as you are already installed.

Devil Dogs of New England please be safe, and we will all get thru this. REMEMBER we are Marines, we can adapt and overcome.

*Happy Holidays and stay safe so we may meet again in Growl assembly next year!*

Dear John;

Thanks a million for a job well done. You New Hampshire Brothers got us here in Vermont out of a real bind. I; and the rest of the Vermont Marines; will always be "Grateful" for you Marines pulling together and saving our butts. Hopefully in the future we Vermont Marines can get two or more Detachments trained to do what the New Hampshire Marines do in times like this and we will not be placed in such a predicament like we were. A lot of different people, who were there, gave very good comments, about the Marines and the precision of all movements, from start to finish, and are lasting memories that they will keep for a very long time. This included Mrs. Cheryl Veilleux and the Saint Johnsbury Detachment Commandant Robert Mayers and myself. We all worked together on a daily basis with phone calls; emails; etc.; to Quantico, Manchester New Hampshire and the New England Division Vice-Chief Devil Dog Cherie Monnell.

Commandant Mayers and Mrs. Veilleux contacted me in desperation and asked for help. I made them a promise that Mrs. Veilleux would get what she desired; and come hell or high water , I was not going to let them down; and then the Department of New Hampshire got news that we needed help and from then on; you Marines saved the day and put everyone at ease.

Again; I can not thank you enough for what your Marines did for Vermont. If I am still in the right position and have the necessary power; I will back up the New Hampshire Marines whenever they need it and for whatever reason.

John, if it is possible; could you send me a copy of the "Newsletter" when it is available; either by email or snail mail. It may be something that Vermont should be doing for our Detachments.

Thanks again to all; stay safe and healthy; and "SEMPER-FI".

## "A Thing of Importance"

9/12/2020

It was a beautiful day for a drive to Vermont's Northeast Kingdom and only a few miles from the Canadian border. I was tempted...but, then reminded myself about our reason for this journey. Besides, I have heard that they don't really want us because of the Virus.

And so, we forged ahead, eating in shifts during the drive so that when we arrived, we could focus on the task at hand instead of the growls from within. We were not sure where the location was, but, assumed wrongly, that it would be at a cemetery. Instead, it was at the home of the departed Marine, Gunnery Sergeant Laurent Veilleux, whom we had come to honor, with his immediate family, his close friends, and members of the Marine Corps League.

Most all of the rifleman in the detail were from NH, with one hailing from Vermont. The call for volunteers had gone out a few weeks prior and we felt that this was something we needed to do. The date fell on a Saturday which meant that we could avail ourselves without needing to use up vacation time, which we have done in the past.

Upon arrival, we quickly realized that this was going to be a well-attended event. Marines dressed in their local uniform of black shirts and trousers with the MCL red cover greeted us as we made our way into the fold. Many friends and family had already gathered in the beautiful front yard area that had a flagpole flying the Stars and Stripes, as well as, the Marine Corps flag. The breeze of the day kept both symbols stretched out and proudly waving.

A Marine Sergeant wearing his 'Dress Blues' and a uniformed Navy Chief Petty Officer were on hand to be the flag bearers for the ceremony. The Commandant of Vermont started the proceedings and then when the flag was snapped open, it was up to us to perform on command. And then it begins. Now, we have done many of these firing details, however, there is always that feeling of nervousness that comes over you. We have a need to be perfect at what we do. This is how we were trained back in the day. And so, we wait to be called to attention from ceremonial parade rest. The commands are shouted out and we respond with every fiber of our being to do every motion with perfection. When the command is given to 'Fire', every Marine is seeking to make it one homogeneous sound each time the command is given.

Then we go to the salute position of 'Present Arms' and hold that salute for the playing of Taps and the folding of the flag for presentation to the wife.

It was a beautiful gathering and I was later told by the Vermont Commandant, Herb Drew, that Mrs. Veilleux was just amazed at the wonderful ceremony provided by the Marine Corps League to honor her husband.

We travel these roads, we wear our uniforms , and we practice with the desire to be the best to show our respect to our fallen brothers. This is because we believe that every Marine should be honored for their service to our country. And because we feel that the sacrifices they made for this nation, for the family, as well as for the Marine himself makes them worthy of this effort.

And so, we believe that these honors are a thing of importance.

Woof-Woof Dogs of the Order,

The Holidays are upon us and I hope that each of you are having a Howling good time with family and friends. If you missed the Gathering of the Dogs that was held October 1-4 in Maryland you missed a great time, for those that attended it was great seeing you again. This old Dog is still recovering from my Thanksgiving meal and I'm looking forward to Christmas and the New Year. I sure hope 2021 turns out better than this year. I also want to wish each of you and yours a Merry Christmas and a Happy New Year.

The Mid-Winter Conference is right around the corner so make your reservations and come out and join us at the Mini-Growl. Remember the Mini-Growl is open to all Dogs regardless of Degree, so rustle up your Dogs and come on out for a great time. The 2021 Supreme Growl in Springfield, Illinois is also fast approaching and if you plan on advancing to PDD then you need to get the ball rolling now and get your paperwork filled.

So now for some housekeeping items, you're probably wondering why these look so familiar, that's because these are some of the most important things that need to be done and passed on for Dogs who are advancing.

**So 1st of all**, I need all the Dog Robbers to make sure that you" **get new advancement paperwork filled out**" for the Dogs who were going up at Daytona and get them submitted to the Kennel Dog Robber along with in any new ones that you'll have moving up in August 2021 at the Supreme Growl in Springfield, Illinois.

**2nd**, I've been emailing my handlers and monitors to see who is planning to attend the Supreme Growl or not and as of now we are looking pretty good with handlers and assistants but I still need a few more. If you're interested in being a handler or event monitor, please send me an email and I'll add you to my roster.

**3rd**, One very important thing that needs to be passed to all DD's who are advancing, is that the earlier you can arrive and get registered the more fun you'll have. **All DD's who are advancing must be registered with the Marine Corps League first and then register at the Doghouse for your initiation no later than 5:00 PM on August 9th.**

**And last but not least.** We have had a lot of dogs who have in the past scheduled trips and other activities during the daytime and have been missing too much time during the initiation activities. **DD's need to make sure they do not book any trips from August 9-11**, so you can attend the whole training cycle. If you don't participate then we can't advance you, so please make sure you are attending all the initiation training sessions.

It has been a pleasure serving as your Kennel Mad Dog and I look forward to seeing you all at the future Growls and especially at the 2021 Supreme Growl.

If you have any questions feel free to give me a bark and I'll be glad to help in any way that can.

# Northeast Division Vice Chief Devil Dog PDD Joe DeAngelo

Woof-Woof Dogs of the Order,

I would first like to start off with a Woofing thank you to CDD Hazlett for giving me this opportunity to serve the Northeast Division as your new Division Vice Chief Devil Dog. I am always available thru email if you need anything.  
[Sgtjd2@gmail.com](mailto:Sgtjd2@gmail.com)

Even with COVID, the Dogs of the Northeast Division have done their best to keep things rolling.

All the Packs held some kind of Growl since the last WOG and all Pack Officers were elected and installed. The NJ Pack had the honor of having the 59th Chief Devil Dog CDD Tom Hazlett attend their Growl in October along with PCDD Paul Sutton, Executive Director PDD Ben Wells, MD Pack's Worthy Pack Leader PDD Ray Strum and National Commandant of the MCL PDD Dennis Tobin. Needless to say, it was a Woofing Good time with many Bones collected for the Children's Fund. We had raffled off a customer tumbler from Semper BAD which is owned and operated by our very own Worthy Jr. Vice Pack Leader Barb DeAngelo.

Before the second COVID wave hit, we did have all the Pounds of the NJ Pack and some from the NY and Penn Packs hold Growls and some installations. We have since shut down the NJ Pack again due to the further outbreak.

This past October, some of the Pack Officers of the NJ Pack attended the Gathering of the Dogs in Ocean City, Maryland. What a Great time we had with the Kennel. This was open to all Degrees of Dogs so it was a great time for some of our Pups and Devil Dogs to see how things work on the Kennel level.

The Division is currently working on getting all the email addresses and phone numbers of the Pounds. I have updated all Pack Officers email addresses in the Division. I have been in contact with all of our Pack Leaders and we are working on any issues they may have with their Pounds.

Hopefully we will be able to have our Mini Supreme Growl in Norfolk this upcoming February as I look forward to seeing everyone then.

Woof-Woof!

Well, it looks like a second round of Covid-19 has hit the Midwest Division area again. I have had many friends, including myself, who have contracted this persistent little virus. I hope that you are all doing what you can to stay safe and to keep your fellow Dogs safe. Hopefully this will become nothing but a memory in the not-too-distant future.

It's been fairly quite here in the Midwest Division. If you're conducting a Pack or Pound Growl, I would like to be notified so that I can attend if it's at all possible. Since I'm still amongst the working class, it's definitely easier for me to attend weekend Growls. But send me an invitation regardless of when it is, and I'll see if I can make it or not.

Since my last WOG article, I have attended the Gathering of the Dogs and conducted the Midwest Division Growl. The Gathering of Dogs was well attended, very informative and of course, lots of fun and laughs. It's my hope that this becomes an annual event that's moved around the country so that all Dogs have an opportunity to attend. At the Midwest Division Growl, we were honored to have the Honorable 59<sup>th</sup> Chief Devil Dog Tom Hazlett in attendance along with his Aide-de-Kamp Mike Francis. Also in attendance was the Honorable Sr. Vice Chief Devil Dog PDD Alan Sanning and many other dignitaries from the Kennel Staff. Because of the Covid-19 virus, the Growl wasn't attended by as many Dogs as we would have liked, but the ones that did show up seemed to have a good time. There was business to take care of but the emphasis was on fun! Many games were played and some things were auctioned off. We were able to raise close to 1400 Big Bones for the Children's Hospital Fund! Thank you to all who attended and made this Growl so much fun!

I truly hope to see many of you from around the Division soon! I hope you all have a very Merry Christmas and an even better New Year!

Woof-Woof! Devil Dogs! Restrictions abound and travel is limited in California as well as neighboring states, and one keeps wondering when is this going to end? Yet we are reminded that COVID-19 is real and we all are all suffering from it.

The meetings have been few and far between as we all struggle to keep a semblance of order and continue to push forward. State and local Growls have been cancelled and rescheduled due to restrictions, yet we adapt and improvise and hold meetings in the great outdoors while maintaining our distance and wearing our face diapers.

The Marine Balls have but been altered to accommodate the New Normal of social distancing and wearing our face masks in order to maintain our beloved and trusted traditions. Formal wear is a must as we celebrated our 245<sup>th</sup> Birthday, and we move forward looking for answers to this bleak and costly disease.

Thanksgiving traditions are small and meeting with families have been costly for all as we try to maintain some type of Normal.

The Charter for the new Military Order of the Devil Dogs (MODD) in Hawaii has finally been realized after long hard struggle. Congratulations to the Tunnel Rats Pound of Hawaii.

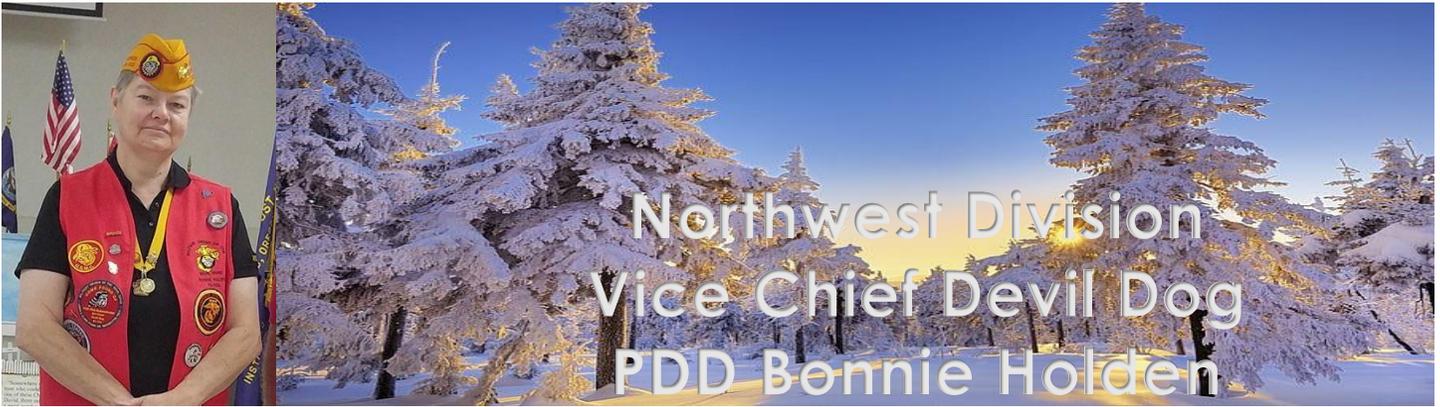

Alas, there is light at the end of the tunnel as the vaccines have been tested by the thousands of volunteers who have raised their sleeves in order to find a cure. We have found new hero's, who have sacrificed and placed themselves in danger and died for those they served.

It only adds to our perseverance, as we all have endured a Pandemic that has affected the entire world and move forward with 20/20 vision in our rearview mirror and see a new beginning 2021. Merry Christmas and a Happy New Year!! Woof-Woof!!

Party like it's...

2021

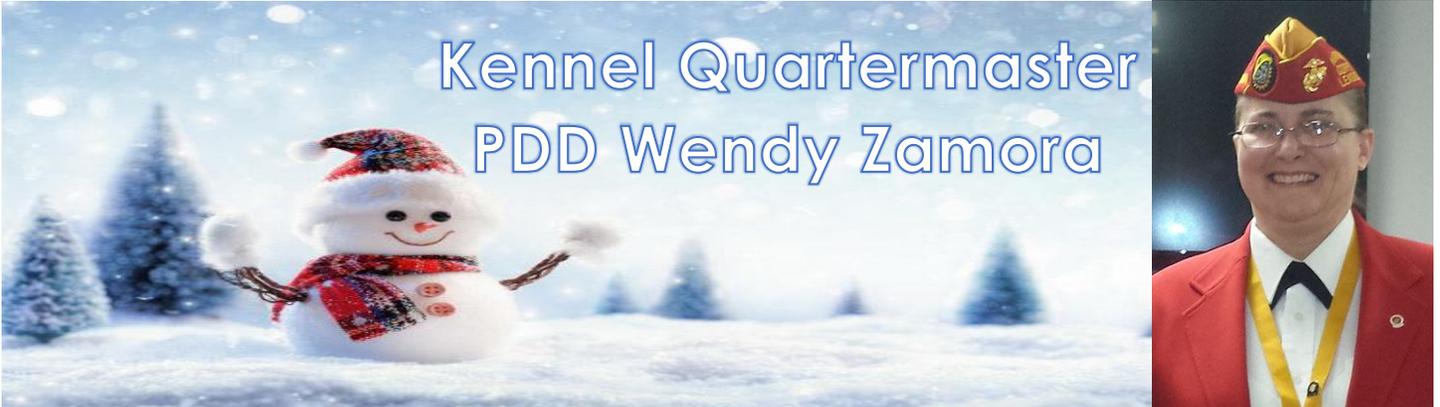

During the month of October 2020 Washington Pack was able to have two Pack Growls and advanced 10 Pups to Devil Dog.

Oregon Pack Leader Clyde (Tony) Rizzutto was interviewed by the local paper on his time in the Marines.

Montana gas established a new Pound in late June 2020 number 374.

Hope that all the Dogs are safe and we will soon be able to meet again.

Woof-Woof Dogs,

Colder temps are now upon us and for some of us, there will soon be some snow on the ground. I would like to take this time to wish each and every one of you dogs a Merry Christmas and a Happy New Year.

In this newsletter you will see pictures of two of our new items. One of the items is a Neck Gaiter with the MODD Logo on it. This is item # APP53 and is \$13. The second is an ear loop Face Mask with the MODD Logo on it. This is item #APP52 and is \$9.00. Both of these items have been requested and I thought they would be a good fit.

There will be MODD Tumblers coming in the near future. They are going to be black, red and yellow. The red and yellow tumblers will have the MODD Logo on them and the Black tumbler will have a vinyl bulldog on it with the wording "Military Order of the Devil Dogs". These tumblers are 24 ounce and will run \$35 each.

Devil Dog collars will no longer be sold without the grommet. Sales are too low to justify carrying inventory. Please make sure you are using the most up to date Merchandise Price List.

If there is something that you need, you can order by email, snail mail or by calling. I am currently working a dayshift schedule, so please call after 5:30pm eastern time.

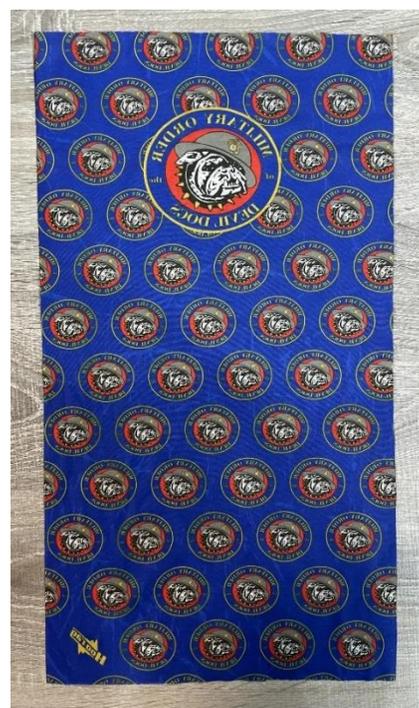

I hope to see all dogs at the National Midwinter, depending on Virginia restrictions. But if not, keep in mind the Kennel Quartermaster will always be open as it has been throughout the pandemic.

**Please make all checks payable to Military Order of Devil Dogs.**

# Central Division Vice Chief Devil Dog PDD Joseph Pollock

Woof-Woof,

I hope this finds all our Dogs well. It has been a difficult time for all of us but help is on its way. Due to a motorcycle accident in August, my travel has been severely limited. I have however managed to attend several functions.

I attended the Illinois State Convention held in Springfield, IL the 1st, 2nd and 3rd of October. We had a good time and a great Growl. Unfortunately, it was at the same time as the Dog Gathering in Virginia. I had the Honor of receiving the Illinois Pack Dog of The Year Award. It was totally unexpected.

As a member of the 2021 National Convention Committee, we met with National, as well as our Chief Devil Dog in Springfield, IL. The purpose of this meeting was to make sure there was adequate space for all. It was also to meet with the Hotel Staff and answer any questions any one had.

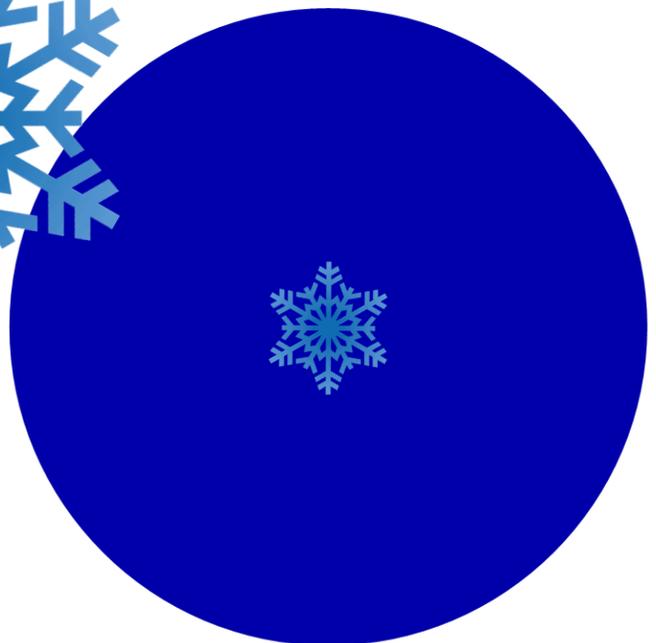

Because of my limited travel I was not able to make the other State Conventions within Central Division. My Goal for this upcoming year, is to attend all of Central Divisions Conventions and Growls. Unless the pandemic throws us a curve.

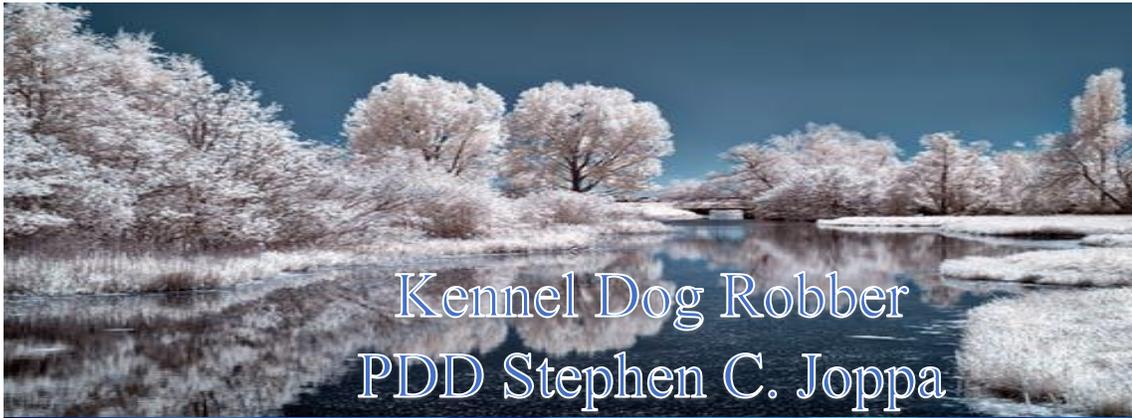

So, I ask that all our Pack and Pound Keepers, forward any information you might have to me as soon as possible.

I am going to create a monthly newsletter so that we may all have a better picture of what our Dogs are doing within Central Division. I would appreciate your feedback on this.

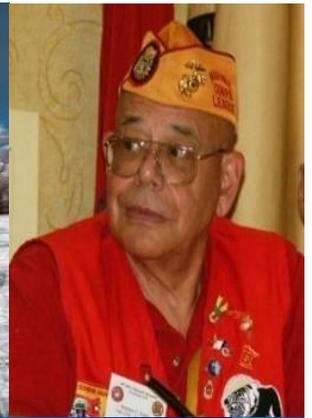

Hope to see a lot of Central Division Dogs at Mid-Winter.

Dues transmittals continue to come in at a moderate pace. The by-laws say that all renewals are due on September 1. If you have not renewed your dues for the 2021 year, you may not legally attend any Growls or participate in any MODD activities. Please get your renewals to your Dog Robber so they may be transmitted to Kennel and you can hold a current membership card.

Dog Robbers: Please contact your members and get the transmittals in promptly. New applications for membership are down from previous years. If you have quality members in your Detachment invite them to become members of the MODD. We are always looking for "Good Dogs".

Elections and Installation Reports are required to be completed by mid-November. Attached is a list of those reports for each Pound and Pack. If your Pound or Pack does not show 2021 in the date field, please get a copy submitted right away.

Passport stamp Bones are to be collected from each member in attendance at a Growl. Attached is a list of the Bones received so far this fiscal year. If your Pound does not appear on the list it means that no bones have been received. Please collect the Bones at each Growl and submit them promptly. The by-laws require them to be submitted after each Growl.

IRS 990's were to be submitted to the IRS by the middle of November. (If the fiscal year you are using is July to June). If your Pound or Pack has not complied, you need to get it done. You stand to lose your nonprofit status if you do not comply with the IRS regulations. Send the IRS notice of filing to me so it and your EIN number may be recorded. The IRS is making a big push to shut down non-profits that do not file. If you do not have an EIN number you need to get one and send the number to me so we can get you on the list of MCL subsidiaries and registered as such with the IRS. Noncompliance may result in taxes being imposed on any income as well as severe penalties from the IRS.

We are all looking forward to the Mid-Winter Growl in Virginia in Feb. I hope to see many of you in attendance. Remember, this is the only Kennel level Growl that any Dog may attend.

After you have made sure that you have complied with all of the above you can go back to your nap by the fireplace and make sure the food and water bowl are close by so that you do not have to exert yourself too much. Have a Merry Christmas and I wish each and every one a joyous and prosperous New Year.

**WOOF-WOOF**

**RE:** Report

Dogs,

Sorry I was unable to make the deadline for my report to be included into the actual WOG, so I am adding it on the back end as to pass some information regarding some updates.

This Holiday season, to say the least, has been crazy. The number of things to accomplish seems to build exponentially. However, the work continues. The website has seen many new improvements over the past several months and there are many portions still being worked upon. I have worked to streamline some items to help increase the speed and load times of the site. This is still a work in progress. I have enabled a new caching platform and have implemented use of a CDN and have converted many graphics over to SVG files for speed. Now what does all that mean, it means that changes have been made to make things faster. I know, why didn't I just say that in the beginning? Please keep in mind that if you are still on dial up networks or in poor service areas and do not have some sort of broadband internet, your speeds will still be slow, there is nothing I can do about that.

Now on to some other things... The website is setup so that we can provide information to those Dogs around the country. There is only thing that makes that a larger problem then it should be, that is the lack of information that needs to be provided. Please if you are reading this, get the information out to those that you know need it so they can get me the information that is needed for the site. Our Pound and Pack Locator is MISSING much information, there are huge gaps in our map as I have not yet received information from those areas to populate it. It is also a difficult thing to get word and information out to those that are not yet on our new roster for email and web distribution. So please make sure that you are getting that word out and getting members to fill out the web for to get their info up to date for emails.

Now on to the Quartermaster portion of the website. I have been working with the Quartermaster to sort out many things regarding information and products to be posted on the site. Our current problem is with the connectivity and communication between systems. I am still working and sorting that one out and was hoping to have it up and running by Mid-Winter, or at least something that will be a step in a good direction. As this is something that will be new to our working and something that is internally maintained, I ask for your patience while this is being worked upon. In the meantime, Orders to the Quartermaster can still be made the way it has been for some time. When it is time for site to be connected to our primary website, I will put out a notice and an email regarding its usage. For now it is back to work and I am looking forward to seeing everyone at Mid-Winter, hoping that it is still going to happen.
