Remembering Jeanette Geise >>>

1946 - 2020

Jeanette Geise was active with the Marine Corps League and Auxiliary for over 20 years. For each of these years, she attended the National Conventions, and attended many Mid-Winter Conferences and numerous Central Division Conferences. She always sewed and helped raise Big Bones while doing patches for the Devil Dogs at the Supreme Growls. She will be missed by many. Woof-Woof!

In Memory of Jeanette Geise 1946 - 2020

Woof-Woof to all Dogs of the Order!

I wish to recognize PDD Barbara Vanner for all of her hard work involved in making the Mask fundraiser a success. Not only did she seek out volunteers to make our masks, she also took the orders, communicated with those ordering, as well as shipped the orders. She did all this knowing that she was getting ready to have her head and rear-end wired together (neck surgery). The Order is very fortunate to have Dogs like her who are willing to go the extra mile. Many thanks PDD Vanner, I hope your recovery continues to go well.

I hope you are all doing well, staying healthy and starting to go back to your Pound and Pack Growls. I have been able to partake in several Zoom and Free Conference Call Growls as well as attend Growls in NC and MD. This past Saturday I had the opportunity and pleasure to install the Maryland Pack elected and appointed Officers and as always, it was a fun-filled Growl.

Many of the States across the Country are starting to ease up on their requirements under COVID-19, so Growls are starting to take place again. I have had several reports sent to me from the DVCDD's and within them there is mention of Growls taking place. As always, have fun and do whatever is necessary to stay safe and healthy.

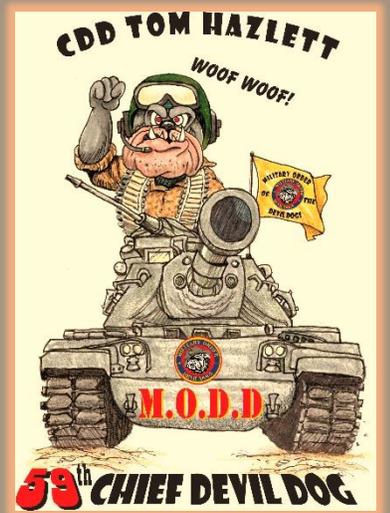

October is just around the corner and I can't wait for the Dog Gathering in Ocean City, MD. For those who are attending, I know there will be plenty of fun and enjoyment as well as education. I just wish there were more signed up for it. I know you will have missed a great time if you were amongst the Dogs not present.

I have heard from many Dogs who are registering for both the Mid-Winter Conference in Norfolk, VA. and for the National Convention in Springfield, IL. Speaking of Springfield, I will be flying up to Missouri for a Pack Growl and before attending the Growl, I will be met by my Aide PDD Mike Francis and we will drive to Springfield to do a Pre-Convention walk-thru of the Hotel. I hope you can make it to both events; for some of you, it will be the first event since the COVID-19 Virus set upon us.

I want to thank all of you who purchased tickets for the Iwo-Jima Pistol raffle, considering the situation we faced with the Virus, we still raised a lot of much needed Big Bones for the Kennel.

I also wish to thank you for supporting the Sweepstakes, again we had a better than expected amount of support. Great job on behalf of our Honorable Jr. Vice Chief, PDD J.D. Jones on his hard work that helped make the Sweepstakes a success and a great job to the Honorable Sr. Vice Chief for his hard work that helped make the Pistol Raffle a success. Congratulations to Kevin Mitchell of Maine who won the Pistol; I am sure you will love it.

Last month our Honorable Kennel Executive Director sent a 40,000 Big Bone check to St. Jude Children's Research Hospital. We will have the honor of having a virtual tour given to us at the Dog Gathering in October as well as being able to have a live feed presentation of the check. I do want to thank all of the Pounds and Packs that helped donate the 40,000 Big Bones. To my disbelief, over half of our Pounds and Packs failed to send in any of their Passport Funds for the Year. I understand we had a virus that affected things since March but those Pounds and Packs that failed to submit funds since last July, that is just unsat. I will be contacting each of the Pack Leaders and having them remind their Pound Keepers that it is a requirement to submit your Passport Funds to the Kennel. **I am giving Pounds and Packs notice now, submit your Passport funds collected since last July to the Honorable Kennel Dog Robber.** If you are telling me that you have not had a Growl since last July, then I think we need to discuss why you've failed to follow the By-Laws on required Growls. Again, I can understand not having Growls since March but, there are 8 full months between 1 July and when we started having the COVID-19 Virus problems. Get your Passport Funds turned in if you haven't submitted them. Let's make up for lost time.

I wish you all good health and wellness. Please keep good communication with your members so that you know if they are in need. Speaking of needs, please help out with our MCL and MODD members who have been affected by the recent hurricane in the Gulf States.

There are fundraisers being conducted and I wish to thank PDD Clifton Addison on his fundraising efforts to help out the victims of Hurricane Laura.

Thank you so much goes out to all of the Dept. of Mississippi for your efforts to assist our MCL and MODD members who suffered because of the storm, some losing everything.

Please remember our Veterans and of course keep those on Active Duty, especially those in Harm's Way in your thoughts and Prayers; may they soon safely return to their loved ones.

Semper Woof to you all and remember, If you Keep it Fun, they will come!

Tom, 59th CDD

Woof-Woof Dogs, I hope this finds all of you in good spirits. It seems very odd to be putting this together for the Fall WOG and not having an 81st Supreme Growl to bark about. Despite the lack of a Supreme Growl this year and thanks to the always awesome work of the Kennel Staff Artist, HCDD Jack Severn, you won't have to deal with a big, ugly 2020 bare spot on your vest or a feeling of lightness in your pocket as HCDD Severn has turned the sour lemons of a cancelled Supreme Growl into a sweet "2020 Daytona Beach Wipeout" patch and challenge coin. If you don't find info elsewhere in this issue on how to get your own patch and coin you can find it on the Kennel website. I wouldn't expect these two pieces of history to last long, get 'em while their hot!

Without a Supreme Growl - Lucky Dog, PDD Don Benson and crew were able to take a well-earned vacation this year. I'm sure every Dog missed all the usual raffles, 50-50's, etc....

Fortunately, our exalted 59th Chief Devil Dog had stumbled across a beautifully engraved Battle of Iwo Jima 75th Anniversary 1911 earlier this year which the Kennel acquired. Thanks to the efforts of a handful of Dogs and a few Fleas who went to work getting tickets out, we had a successful raffle for that beautiful pistol. WOOF-WOOF to all those Dogs & Fleas who embraced the mission and did a fantastic job! BIG BARKS also go out to all who supported the effort by taking a chance or two at that piece of history. DD Kevin Mitchell of Maine was the lucky winner, congratulations Kevin!

Now I am eagerly awaiting the Gathering of the Dogs for the Devil Dog Weekend in Ocean City, MD the first weekend of October. I will have to pack my clippers as I am putting the beard on the chopping block at the Growl. It may be by auction or by raffle and whoever wins gets to do away with my beard or turn it into a fashion statement which will last as long as it takes me to return to my room following the Growl and finish the job. To be clear, none of you mutts is getting near me with a razor, I know you too well. This will be by electric clippers only and the proceeds will go towards the Children's Fund.

DD Kevin Mitchell of Maine accepts Iwo Jima 1911 pistol from PDD Charles Paul, Pound Keeper #119. DD Mitchell got his ticket from PDD Paul. Congratulations!

Well, minus any costs associated with medical treatment required following the "trim" of course. I'd appreciate it if the Kennel Vet would make sure we have a trauma kit on paw!

Now on to the battle of keeping our Pounds, Packs and the Kennel healthy. According to the Kennel Dog Robber, PDD Steve Joppa, the Kennel dropped 488 Dogs as of September 1st for unpaid dues. Last year at this time I asked that the Pound Keepers enlist their staff to help reach out to bring wayward Dogs back into the fold. I'm modifying that request a bit and ask that you have your Dog Robber put together a list of recently dropped Dogs, delinquent Dogs and Dogs you just haven't seen in a while as well as their contact info. At your next Growl, pass that info out and ask all of your Dogs to check for anyone they might know and ask them to reach out and try to get those Dogs back.

If they don't know anyone on the list just ask them all to pick one or two that they can contact. It might help if you have a Pound activity scheduled in the next couple of weeks you can invite them too, i.e. an SOS breakfast, dinner out, shooting match, etc.... which they can be invited to.

Our number of Pups in the Kennel is up from last year, find out how they would like to contribute to the Pounds efforts and turn them as well.

The beard is going on the chopping block at the Devil Dog Weekend so bring your Bones and you might win a chance to hack away!

If you're reading this WOG, it is very likely you are one of the active members of your Pound and could use some help. There are always Dogs, (especially new ones), who are just waiting for someone to ask them to lend a paw, take advantage of that when you find it and make it fun for all involved whenever possible.

I look forward to seeing many of you at the Gathering of the Dogs and even more of you at Mid-Winter next Spring. Let me know if I may be of assistance in the meantime.

Woof-Woof Devil Dogs,

I hope that you are still remaining safe during these difficult times. I have a feeling that this will all be over shortly. During these times, I have had to remain close to my Dog House. I am looking forward to being able to travel soon and attending Growls. I hope that your Pounds and Packs have made arrangements to hold your Growls to Elect and Install your Officers for the 2020 – 2021 fiscal year.

We still held our Junior Vice Chief Raffle. The donations were down which was to be expected not being able to sell tickets in Daytona. We did conduct our Drawing on the scheduled day. Myself and Chief Tom Hazlett conducted the drawing on Facebook live August the 12th. The winners for the 1 Bone Raffle 1st place: H.P. Freburger; 2nd place: Robert J. Kubinak; 3rd place: Johnny Batchelor. The winners for the 5 Bone Raffle were 1st place: Peter R. Tuttle; 2nd place: Robert F. Wnuk; 3rd place: Dale Condy. Congratulations to all the winners and a big Thank You for ALL who purchased tickets.

The Honorary Chief Devil Dog Jack Severn designed a “WIPEOUT” coin to be sold in the place of our 2020 Supreme Growl Coin. We originally ordered 300 coins to be sold. That supply of coins was depleted before they could be delivered to us. We have already ordered a second supply. These coins will be delivered @ the Gathering of Dogs in Ocean City, Maryland on 1-4 October. Any coins not picked up there will be mailed out to you. “Wipeout” Coins can be purchased for 15 Bones each and Patches for 5 Bones. If you are interested in purchasing one, the info is on the website.

Please go to www.militaryorderofthedevildogs.org

Speaking of the website, please Bark at all of your fellow Dogs about registering online. This will be where any info from the Kennel is disseminated from. This is also where you will get all future Woof-O-Grams.

Please keep checking on the Dogs in your Pound and Pack. If any need help and you do not have the means to provide, please reach out.

We are a family, no one needs to be alone or doing without.

Please stay safe out there and I look forward to seeing you in Ocean City, MD for the Gathering of the Dogs. Don't forget the Mid-Winter Conference in Norfolk, VA and I will see you next August in Springfield, Illinois where we will meet in Growl assembled.

It's an Honor & a Privilege to be a Devil Dog.

Woof-Woof,

I hope to see everyone at the “Gathering” this year in Ocean City, Maryland from October 1st thru the 4th (collared shirt and jeans, no uniform). If you can’t make the “Gathering”, then I hope to see you at Mid-Winter. The Dogs will have a banquet on Saturday evening of October 3rd and you can purchase the tickets from the new website www.militartorderofthedevidog.org. Once we knew that the Supreme Growl was canceled, we started looking for somewhere to send Bones for the Children and we decided on St. Jude’s with a \$40,000.00 check.

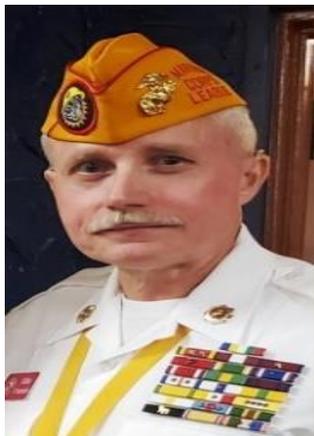

There seems to be a misunderstanding with the Packs and the Pounds concerning Passport Bones. Out of 38 Packs, only 30 turned in Passport Bones, and out of 226 Pounds, only 132 turned in Passport Bones. Please check the Kennel By-Laws because it states that you will turn in Passport Bones.

The QuickBooks merge went well and everything is complete. QuickBooks POS system is now working with QuickBooks. I sent out the rebates for life memberships to the Packs and Pounds and as most of the Dog Robbers found out I screwed up and had to do a recall. The new checks have gone out and I hope I didn’t screw up again. If you do not receive a check and feel you should, please contact me at david.wells8@comcast.net.

As everyone knows, COVID-19 has hurt our Growls which also means it hurt our income. That being said, we are still in good shape with our funds. To help with the funds, we are having a Wipeout Coin and Patch made to sell for the Supreme Growl that got wiped out in Daytona. Pistol raffle did better than we expected with the COVID-19 mess going on. We cleared a little over \$10,000.00 but could have done better if everyone would have had sold tickets. On another note, our Charity Dog is kicking butt and taking names selling mask, so a big thumbs up to PDD Barbara Vanner.

Our new website is online and looking good except for the Packs and Pound information that was asked for. Please read the Kennel Webmasters report and get him the information he needs. – Ben Wells

WOOF-WOOF,

Tails are wagging and Dogs are scratching to be let out. Things are different across the country right now. Some Pounds and Packs are back in action while others are still locked down. The Chief has taken notice and set up an event. The Gathering of the Dogs for the Devil Dog Weekend is on track to take place 1-4 October. We will be at the Princess Royale Oceanfront Resort, in Ocean City, Maryland. Go to the MODD Website for all information. Looking forward to seeing everyone! Things here in Midwest are starting to pick up. In July, I was able to travel to Pierre, South Dakota for their Grand Growl. It was a fun trip with the Honorable 58th PCDD Leonard Spicer and Midwest DVCDD PDD Chuck Covert. The Dogs of the South Dakota Pack were on their best behavior with the exception of Pup Dave Trei, who was recognized with a PIA Medal for collecting WAY TOO MANY Big Bones from us. Fun trip! The Missouri Pack was also able to hold a Pack Growl and Election. After loosing a “bidding war” with the Kennel Legal Beagle PDD Teresa Terry, I was chosen to draw a portrait of the Honorable 58th PCDD. The entire Pack has encouraged me to keep my “Day Job”. Our Pound, 330 in Cape Girardeau, Missouri, welcomed 3 new Pups in August. It was a very “entertaining” Initiation with lots of fun and laughter. Congratulations to new Pup Jesse Reeder & Callie, on their first child, Olivia. On 21 August, Pound 330 presented a donation of 400 Big Bones to the Honorable Young Men Club in Cape Girardeau. Worthy organization committed to making a difference in our community. It was great to attend a Growl with Pound 77 in Jefferson City on 29 August. This is the home Pound of the Honorable Sr. Vice CDD Alan Sanning aka; “Santa Paws”. The beard he has grown for a fundraiser is impressive! It was my Honor to Install the new Pound Officers, for Pound 66 in St. Louis, on 1 September. Great to see so many Dogs out and about. MANY Big Bones were collected. Congratulations to Sir Pound Keeper DD Jason Reimann and his new Officers!

As we all know, it’s imperative to get out “The Word”. The Chief has been working tirelessly to improve communication throughout the Kennel. We are making progress. He is holding regular online Video/Audio Staff Meetings, sending out mass emails and talking on the phone with Dogs around the Kennel. Our new Webmaster DD Chris Soldano, has the new Kennel website up and running. Check it out at: **militaryorderofthedevildogs.org** Please take the initiative to help your fellow Dogs get their email address registered with the Kennel. It just takes a few minutes on the Kennel website. This will be the only way to receive the Woof-O-Gram, Proposed By-Law changes and messages from the Kennel going forward. Social Media is the way most of the younger Dogs communicate. The Chief recognizes this and has tasked PDD Tom Bates to create our own Kennel Facebook page. This is another tool to pass “The Word” and see what is going on around the Kennel. Check it out! The Kennel Facebook page is: **Military Order of the Devil Dogs-Kennel**

Please remember all of our fellow Dogs that are stuck at home right now. I recently called WWII & Korea Veteran, PDD Tom Lytle. He was so happy to hear from another Dog, I stopped to visit Vietnam Veteran, Pup Neil Dougan who is recovering from back surgery. It just takes a little effort to let someone know that they are not forgotten. Remember, we take care of each other!

 Subj: Annual Report 2019-2020

WOOF WOOF Honorable Chief,

The past 12 months have been a rollercoaster ride. Serving as your Aide-de-Kamp has been challenging and fun. It has been my Honor to accompany you and serve our Kennel. Your motto is, "If you keep it Fun, They Will Come!". It has been my Mission to convey this message to every Dog I meet. These are the events I attended and some of the insights I gained. Every Growl has taught me something. It's an Honor to be a Devil Dog!

August 2019

February

- 1st – **Pack Growl, with the 59th CDD, Middlesex, North Carolina.** Shooting competitions are a lot of fun. Having a family BBQ, prior to the Growl, is a great way to turn a Growl into an EVENT that Dogs look forward to attending.
- 18th – **Pound 330 Growl, Cape Girardeau, Missouri.** If you have active members in your MCL Detachment, recruit them into the MODD. We need to be proactive.
- 22nd – **Pound 77 Growl, Jefferson City, Missouri.** Always choose a Pound Dog of the Year.
- 27th – 29th – **Kennel Mini Growl/National Mid-Winter Conference, Norfolk, Virginia.** Recon. The Dog House and Kennel Store require separate spaces. You need a designated room for each. We must be ever mindful to look out for each other in regard to Social Media posts. Always watch your Buddy's "6".

-15th – **Created a Facebook Event for the Gathering of the Dogs.** Spread it on Facebook and by email.

-17th – 19th – **Pack Growl/Election & Installation with the 58th PCDD and the Midwest DVCDD. Pierre, South Dakota.** The Pack Leader must be a PDD. If there are no able or willing PDDs then a DD may serve as the Interim Pack Leader. They must have two years as a DD, can only serve one year and cannot be re-elected unless they advance to PDD.

-25th – **Pack Growl/Election & Installation. Jefferson City, Missouri.** They're a total of 10 Elected & Appointed Offices to be filled. The 3 Appointed Offices are Dog Robber, Barking Dog and Watch Dog. Dogs must be reminded of this every year. Very important for all Dogs to understand the Bylaws concerning election and the Ritual for Installation.

August

-12th – **Kennel Staff Online Meeting with the New England DVCDD.** Discussed communications and registration on the Kennel Website.

-18th – **Pound 330 Growl. Cape Girardeau, Missouri.** Initiated 3 new Pups into The Order. Keep the Initiation fun and the new Pups will want to come back.

As you requested, I have written an article for every Woof-O-Gram and sent in photographs.

The Order, as a whole, still needs to focus on the basics. Too many Dogs are unfamiliar with the Ritual and Bylaws. If each Officer had a copy of these it would help. It would be beneficial if every PDD Initiate received or purchased both at the Supreme Growl.

It has been fun. I've learned a lot and hopefully helped a few Dogs learn more about our Order. My goal is to help anywhere I can and try my best to be a good representative of the Kennel Staff. Looking forward to going "Back into Action" with you, during the coming year.

Semper Woofing,
PDD Mike Francis

Woof-Woof!

I hope everyone is doing well and still practicing safe spacing and wearing masks. I am still teleworking 95% of the time and finally adjusting. It has been a hot summer, but fall will be here shortly so enjoy the outdoor dining and activities while you can.

I have been assisting the Maryland Pack with writing By-Laws and am more than happy to assist any Pounds or Packs write theirs. If you realize your Pound or Pack does not have By-Laws, this is a good time to hunker down and get them on file. I can send you examples and there are templates on the MODD website. It is always a wise decision to have By-Laws even if you feel they may not be needed. You never know when an issue will come up that could be cleared up quickly with some research of your By-Laws.

If you notice anything in the Kennel By-Laws you would like to change, I will be giving an instructional class at the October gathering in Ocean City, MD to help. If you cannot make it, then I will be sure to have the Web Sergeant load the slides onto the MODD website afterwards. That way everyone can have instructions on how to write clear and effective By-Law change requests. By-Law change requests should be submitted by Devil Dogs in the Order, not just by me. I appreciate that Dogs have confidence in my skills, but to have a majority of change requests come from the Kennel Smart Dog really isn't an ideal situation. I am more than happy to help anyone who wants to submit a change request, but these are ultimately YOUR By-Laws and should be amended by the members, not the Kennel Smart Dog.

I am looking forward to seeing those of you who can attend in October. If you cannot make it, I will see you at the beginning of the winter thaw at the Mid-Winter Conference.

Respectively Yours,
PDD Evie Remines

It is time for elections to take place in the Pounds across the Kennel. The **by-laws require them to occur within 3 months following the Supreme Growl**. Some Pounds are holding elections in the spring when the League holds their elections. This is **wrong**, our by-laws are different and must be followed. Installation reports need to be sent to me so the Kennel records can be updated and the Pack and Division Vice for your area know who to contact and how to do it. Please note that the installation form has been updated and may be found on the Kennel website in an interactive format. Please use it.

The by-laws now require that all Pounds and Packs be incorporated in their state as a non-profit corporation. If you have not done this, please get on it. There is a fine and possible suspension of your charter if it is not done.

The IRS form 990 must be filed annually, if your filing is not up to date, make sure it is taken care of. If it is not, the IRS will revoke your non-profit status and it is very expensive and a lot of trouble to gain reinstatement. Check the installation report in the Scratchings to check on your Pound or Packs status.

Passport fees should be sent in after each Growl as required by the by-laws. These fees should not be held as they belong to the Children's Hospital fund and Kennel can get a little bit of interest off them if they are deposited in our account. It also lets us know that you are holding Growls and being active.

It is also time to get your dues paid. The membership year ended on Aug 31. If you are not a life member, you need to pay dues for 2021. Please get with your Dog Robber and take care of this vital matter. Some members have not paid dues for some time and were dropped from the rolls on Sept 1.

Dropped members totaled 488. This dropped our membership down to 5283. If you are in this status, you may not wear MODD insignia or ribbons. To be reinstated, Kennel back dues for a maximum of 3 years and reinstatement fees for a maximum of 3 years must be paid along with dues for the current year.

We have a total of 281 new pups this fiscal year.
A total of 1308 pups in the Kennel, up from 1282 last year
1614 DD's in the Kennel, down from 1692 last year
2826 PDD's in the Kennel, down from 2860 last year
5769 Dogs in the Kennel down from 5854 last year
2160 of them are life members up from 2138 last year
2560 are current with 2020 dues paid down from 3037 last year
536 have already paid dues for 2021.
510 have not paid for 2020 and will potentially be dropped on Sept 1. We had 551 listed last year
143 have reinstated this year. This is up from 127 last year.
We have had charter applications for 7 new Pounds this fiscal year. We have a total of 228 Pounds and 39 Packs in the Kennel.

Woof-Woof Dogs of the Order,

As I sit here pawing this over, I can't help to feel a little sad that it's been so long since we have all been together in Growl assembled, but there is a ray of hope at the end of the tunnel. As all of you should know, we will be having a Growl of the Dogs in Maryland from 1-4 OCT 2020 and I hope to see many of your Howling faces in attendance. Then before you know it, it'll be time for Christmas and New Years to be celebrated by all with the Mid-Winter Conference right around the corner from that and then just a short stretch to our 2021 Supreme Growl in Springfield Illinois.

So now for some housekeeping items, 1st of all, I need all the Dog Robbers to make sure that you" **get new advancement paperwork filled out**" for the Dogs who were going up at Daytona and get them submitted to the Kennel Dog Robber starting in January along with in any new ones that you'll have moving up in August 2021 at the Supreme Growl in Springfield Illinois.

2nd, I'll be emailing all of my handlers and monitors in the next couple of months or so to see who is planning to attend the Supreme Growl or not. If you're interested in being a handler or event monitor please send me an email and I'll add you to my roster.

3rd, One very important thing that needs to be passed to all DD's who are advancing, is that the earlier you can arrive and get registered the more fun you'll have. **All DD's who are advancing must be registered with the Marine Corps League first and then register at the Dog house for your initiation no later than 5:00 PM on August 9th.**

And last but not least. We have had a lot of dogs who have in the past scheduled trips and other activities during the daytime and have been missing too much time during the initiation activities. **DD's need to make sure they do not book any trips from August 9-11**, so you can attend the whole training cycle. If you don't participate, then we can't advance you, so please make sure you are attending all the initiation training sessions.

It has been a pleasure serving as your Kennel Mad Dog and I look forward to seeing you all at the future Growls and especially at the 2021 Supreme Growl.

If you have any questions, feel free to give me a bark and I'll be glad to help in any way that can.

**IS TYPING IN ALL CAPS CONSIDERED
"BARKING OUT LOUD"?!?**

"Listen up Devil Dogs". It has brought to my attention a couple of items that need to be addressed.

First, in case you didn't read earlier in the WOG – there will no longer be any future Woof-O-Grams mailed to your personal Doghouse. It is 2020 and Dogs need to get with the times and technology. Hence why you seen a mass email go out earlier. The **ONLY** way that you can receive any future WOG's is by going online to the new Kennel website at militaryorderofthedeildogs.org and registering your email address. If you change your email in the future, then it is up to you to return to the website to update it. Previously, I would send the WOG via email to the Kennel Staff and the DVC's were supposed to send it to the Packs and Pounds but this wasn't happening, hence why it's online now. Not only is it more convenient and easily accessible, it also is saving the Kennel thousands of Big Bones in printing and mailing cost.

Finally, not all Pack and Pound Dog Trainers are doing their job. The Kennel Dog Trainer is not receiving NOD's (Notice of Death's), either not at all, or at the very last minute. **This is not acceptable.** As Marines and/or Devil Dogs, we know better and take care of our own. Let's get this addressed accordingly. Thank you and Woof-Woof!

I want to give a big CONGRATULATIONS to Missouri Pound 330 for being the biggest contributor to the Children's Hospital Fund with a whopping 3053.00 Bones, and to the Pennsylvania Pack for being the largest Pack contributor with 2953.00 Bones. I know it was very difficult for fundraising this year, but the two of you did an outstanding job. Because of the Coronavirus, we fell short of our goal set by our Honorable Chief Hazlett. We did, however, raise 40,000.00 Bones which we donated to Saint Jude's Children Hospital. Even though we are still socially distancing, we can still come up with ideas to still raise Bones without interacting with each other i.e., selling items online or by mail. I personally found a way to sell masks without seeing anyone and bringing in a big profit. Look around through your newspaper or local TV and see what is needed in your community that could benefit them and your fundraisers. Remember, 1 July 2020 was the start of the new fiscal year. Let's make this coming year a banner year for contributions. You can always contact me for ideas to help reach our new goal.

MOST IMPORTANTLY, PLEASE BE SAFE FOR YOU ARE MORE IMPORTANT THAN YOU THINK .

Looking forward to seeing all of you at the Mid-Winter in February 2021.

51st Past Chief Devil Dog Donald R. "Don" Garland

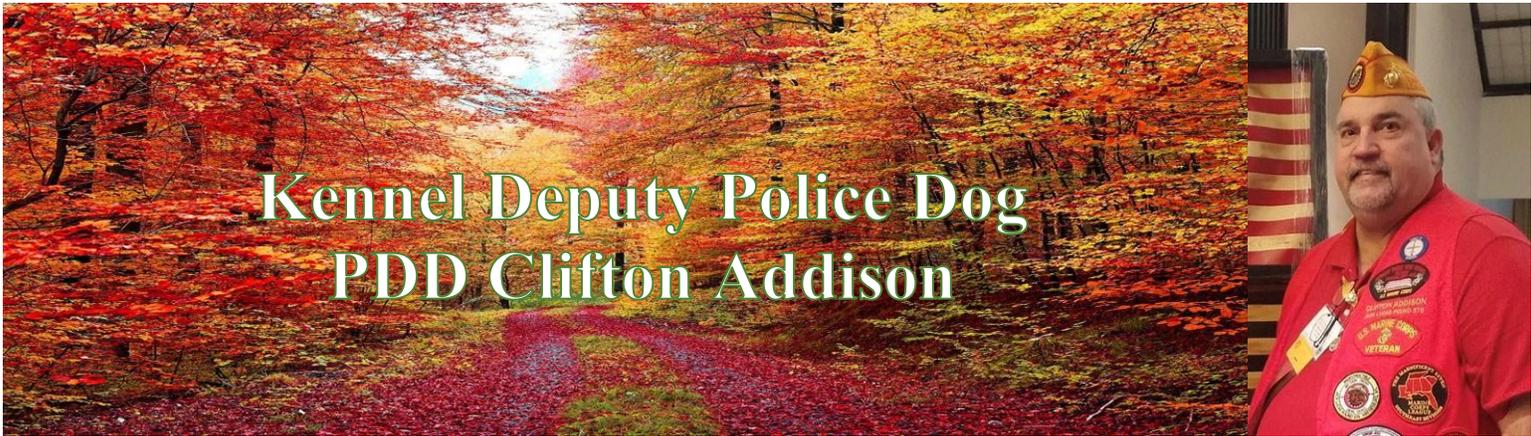

Dateline: Norfolk, Virginia 9/11/2020 06:30 AM

Greetings from the 51st Chief Devil Dog. As I sit on my hind quarters this morning, I am mindful of the freedoms we have and ever more so on a day where so many lost their lives in what would be a major attack on our homeland. Couple that with our current pandemic, and you raise your head and seek comfort in knowing the good Lord is watching over us, we are still here, we are moving forward, we are resilient. I am so looking forward to the Gathering of the Dogs, and yes, I will take every precaution to ensure we stay safe. As an old Dog learning new tricks, I have enjoyed participating in several Zoom or video Conferenced Growls and meetings. The Great Dogs in our Order that are working hard to keep us all informed and up to date on happenings are doing a superb job, thank you for looking out for our members.

As we move into the next phase of this confined lifestyle, be mindful of how you can continue to participate and work for the good of the Order. With one Supreme Growl cancelled, and numerous activities on the Pack and Pound level having been cancelled due to the pandemic, it is ever more important to work within your local and state organizations to provide assistance to our membership and keep the units afloat. Like all organizations, we have taken a hit financially due to cancellation of fundraisers, this does not prevent you from stepping up and contributing your time and or funds if available to continue the good work of the Order. I challenge each and every Dog to reach deep and find that five Big Bones to donate to your individual Pound so we can be ready to hit the pavement running when this confinement is lifted.

Take a moment to thank those who have lead your units during this time and be prepared to help out, step up and take action to make the future bright for our organization. Every idea is a good one, some better than others, and every Dog has some. Consider the future of your local Pound and Pack, offer to take a leadership role, either appointed or elected. There are a lot of good members out in dogdom that are ready and willing to assist you in making that step, and making it successful.

Hope to see you in Ocean City.....Woof Bark, the 51st CDD

From the Commandant of the Department of Louisiana

Helping in the aftermath of Hurricane Laura:

The destruction produced by this massive storm is incredible. Over the course of 18 hours, Laura caused more than \$500M in damage prompted by winds of 150 miles per hour, and a storm surge of more than 12 feet. More than 35,000 homes and businesses were severely damaged, forcing more than 15,000 citizens to find shelter elsewhere. Sadly, fifteen lives have been lost. Even with utility crews from twenty-nine states working round the clock, 250,000 remain without power and it could be four to six weeks before it is restored. There is 400,000 under a boil water advisory. Radio and television stations have been destroyed along with many cell phone towers. MCL Detachment 535 in Lake Charles, and its forty-three members, have been displaced and faced with rebuilding. But, as Marines, have placed their own misery aside to assist in the distribution of supplies and food. Marines throughout Southeast Division have graciously extended help in the form of supplies and money.

Now a challenge from me:

I know it would be hard logistically to collect supplies from all over the country and send them to Louisiana to help. However, we as DOGS can reach back and find some Bones! Each Pound or Pack can collect Bones from their Dogs whether it be \$5, \$10, \$20, or more. This is something that is dear to my heart because fifteen years ago I was going through the same thing after Hurricane Katrina. There was a lot of help that came from all over the country to get us through that time. **I am challenging each of you to try to give something. Send your Bones to our Executive Director Ben Wells. Woof-Woof,

As this is, I think only my second ever WOG article, I wanted to talk a little more about the websites and the current plans for some communication ideas that are in the works. This day and age everything is going digital and communication is at the tips of our fingers. Almost everyone these days has a smart phone with the capabilities to not just make phone calls, but also to use it to browse websites, and use applications and pretty much anything else you can think of. However, what it all boils down to, is just another form of communication.

As we all know, communication is the most important aspect of any relationship that wants to thrive. Our organization is no different. In this current age, it is the form of communication that will change as forms of communication change for the masses around the world. To keep up with the times and make things easier and better for our organization, it is vital that we work on implementing those changes as best as possible. Utilizing websites, mass and regular email, and even social media, have become vital to our everyday business and communication within the organization. If we fail to keep these lines of communication flowing, it will cause our organization to become more stagnant and we will be in jeopardy of getting closer and closer to a very possible end. I personally do not want to see that.

On the Website, we have a spot on the main page, once you scroll down there is a form for you to put your current email address along with your name and Dog Tag number. This will ensure that we at least have that form of communication for things like this WOG and future notices and pertinent information that needs to be passed. It is a difficult task to play the grape vine game and know without a doubt that information that is passed from higher, is getting down to the lowest levels, we all know that it doesn't always happen and there are always those that have no clue about what is going on. Let's face it, not everyone attends functions, Growls, or meetings. Implementing a mass email will ensure that EVERYONE gets the message. Therefore, it is vital that we get everyone in the organization to get their information entered. Now whether you choose to open the email or not is another case entirely.

Currently I am working on the Quartermaster storefront, it is my plan to have a backend to the store in which everyone will be able to log into it. As everyone has a unique Dog Tag number that will become the username for everyone. Once this is setup, I will send out information regarding the temporary password that will be put in place for everyone's account. Once that happens, everyone will be able to log into the store and keep their own information up-to-date. As we are getting things set up and working, ordering things the manual way and purchasing at events and so on will have to be the way of things until the new site is fully functional and connected. It is a lot of work and a process to make it happen, so please bear with us as we are working hard on it.

In the meantime, I am still working on many things for our new site. There have been many ideas that I have had and some from a few other people. Just to name a few, I am wanting to work more on our history pages and a page dedicated to the artwork of our very own Jack Severn. It is important to keep our history alive, and as the years go by that history gets added to every year, it is a living and breathing element that we must continue to grow and evolve. Our website is but only one way that we have to preserve and share that history with future members and all that dare to look and wonder, just what the heck are those people up too!

It is my hope that I will be able to present more on the website and the Quartermaster site at the gathering in October, until then, I hope everyone is well. I look forward to seeing everyone soon.

Semper Fidelis,

Woof-Woof,

DD Chris "Trunky" Soldano

Barking's from The Great Southwest Division

Woof-Woof! Devil Dogs! The New Normal is a upon us as we navigate through the, ever changing restrictions. It reminds us to be extra vigilant and look out for one another as the self-quarantine builds up on all of us and takes it's toll.

The Zoom meetings, phone calls, texts, emails and yes snail mail provides us an outlet to communicate with one another and keep up our moral. Keep sending out those Welfare/Buddy Checks as they provide an outlet to speak with others and find out the welfare of our Brothers and Sisters.

Personally, I've enjoyed the Zoom meetings where we can actually see each other and discover new things about one another. It's like all of a sudden, numerous sightings of facial hair were discovered where once there was none, beards, goatees, and mustaches abound, but most of them are salt peppered or just all white.

As we age gracefully, we must take into account that our numbers are dwindling down and need an influx of new Dogs to keep the Kennel heathy and the Tradition viable.

In between the meetings via Zoom and other means, I was privileged to attend a rare but needed distraction and attend a birthday party celebration to our oldest Iwo Jima Marine. Major Bill White who turned 105 years young. Along the way, the Marine Corporal Frank Wright, believed to be the youngest Marine Raider, along with other well wishers did a drive-by-parade to celebrate and show their support for our oldest Marine.

During this Pandemic, the Dogs from the Great State of Hawaii were able to submit their request for Charter for a new Pound, also Fresno has submitted their request for Charter. To all the Dogs keep up the good work and Carry On!

The world is constantly changing and we as Marines are able to Improvise, Adapt, and Overcome. As always Stay Safe and especially Stay Connected.

Subj: Annual Report

Since the Supreme Grawl in August of 2019 I have been honored to be selected as the Southwest Division Vice Chief Devil Dog (SWDVCDD). I will serve at the direction of the Chief Devil Dog and continue to recruit, encourage and promote the Military Order of the Devil Dogs (MODD), to the best of my abilities.

Upon returning, I have been tasked to promote the MODD in all aspects to the California, Arizona, Nevada Packs, and assist in the future formation of a Hawaii Pound.

August 2019 was initially my first taste of expanding the MODD and help shape and expand the California Pack by preparing and advocating for submission the first Charter for a California Pound in the Greater Los Angeles Area, and assist the California Department in maintaining Detachments and expanding the MODD in the Central Coast.

September 2019 was also challenging when I was asked to advise the Stanislaus County Veterans Service Center in Modesto in promoting the only NON-State or Federally funded Veterans Center, where all Veterans services are located in one large building including all county Veterans groups. I also was honored to attend the California State Mexican Veterans Appreciation Day in Sacramento, by the Department of California Veterans Affairs.

October 2019 I maintained contact with State and local MODD veterans and held a Mini-Grawl in Clovis, California. Toured a California Veterans Home in Fresno area along with the California State Commanders Veterans Council and met with a representative of the Secretary of the Department of California Veterans Affairs. I Helped promote ticket giveaways to Marines to attend the President's Own Marine Band in Stockton, California.

November 2019 was a trying time that I was asked to attend and be a part of the Veterans Administration Palo Alto Groundbreaking Ceremonies for the New Veterans Health Services Building in French Camp, California. I was also able to attend three (3) Marine Corps Birthday Ball Celebrations in two counties and promote the Marine Corps League (MCL) and the MODD. Thanksgiving was a pause in my plans and was able to celebrate it with family.

December 2019 was a restful month attending the local MCL meetings and spend quality time with loved ones. Received the new Charter for the Los Angeles County Pound #389 and made arrangements to present it in accordance with MODD guidelines and deliver same.

January 2020 I was off and running as the schedule was filled with arranging, delivering and presenting the Charter to the Los Angeles County Pound #389 at the MCL Detachment #1347 East LA, and preparing for the Military Expo West in early February.

February 2020 was a continuance of January traveling back and forth to be a part of the Military Expo West and returning home to attend Marine functions in the local area. Traveled back to San Fernando Detachment #1277 to Install and Initiate new Pups in the new Los Angeles County Pound #389. Left to the Mid Winter Conference in Norfolk, Virginia.

March 2020 Began with a thud. All activities were cancelled due to the Coronavirus-19 Pandemic, and all travel was suspended to Los Angeles, Danville Pound, Department Spring Conference in Van Nuys, California.

California Department Convention, Southwest Division Conference, MCL National Convention and various Pack meetings were cancelled due to COVID-19.

April, May, June, July, and August 2020 were void of any gatherings due to COVID-19. The sale and distribution of the fundraiser was accomplished. Zoom meetings, phone calls, text messages became the New Normal.

All in all, the past six (6) months have been somewhat of a blur as we struggle to meet and greet our fellow Marines. I was able to submit paperwork for the Fresno Pound, and later the Hawaii Pound Charter. Hopefully we can expand and maintain our MODD membership.

With that, I submit my Annual Report,

NW Division,

During this past quarter, I presented another Charter in Montana Pound 385 Gale's Growlers on June 27, 2020. Due to the COVID-19, we were only able to have a short meeting but long enough to get the job done.

Hope all the Dogs in the Kennel and out in the Packs and Pounds are staying healthy and we can have a somewhat normal Growls next year. Keep recruiting Pups to increase our members.

Semper Woof,
Bonnie Holden
NWDVCDD

MODD Report 2020 September 5, 2020 NW Division

	Paid Members	Regular	Life Members	New
Idaho	51	42	29	3
Montana	72	51	21	0
Oregon	64	44	20	2
Washington	129	86	43	3

The NW Division has a total of additional Dogs overall of 8 since during the 2020 year. NW Division has 357 Dogs which is an increase of 2. New members are 8. We continue to struggle with getting members to renew. We have 41 unpaid members.

Due to the COVID-19, we were unable to have any Grand Growls in the NW Division. I did present Charters and install Officers for the newly formed Pound 390 in Klamath Falls OR on June 13 2020. I also installed the new Pound 385 in Great Falls Montana on June 27, 2020. Both of these were shortened meetings and Growls due to the virus.

The NW Division totals to include the following levels of MODD Members

Pack	PUPS	DD	PDD
ID	12	12	37
MT	19	29	32
OR	15	29	30
WA	28	48	66

We have had 6 members pass away during this last year so our overall amount of increase is on 2 overall.

On September 30, 2020 when the new roster is out with all that has paid for 2021, I will be matching the membership to add to the Children's Fund.

Hoping next year will be better and we will be able to have our Grand Growls as planned.

Everyone has been encouraged and notified to add there email address for the WOG.

Respectfully Submitted,
PDD Bonnie Holden

Devil Dogs, I bring you barkings from Central Division. It is now ok to put your paws outside on the sidewalk as our temperature has dropped from 100 degrees to 50 in a day's time.

I hope this finds all our dogs in good health and being safe. One of the hardest things I have to do is keep all our Dogs informed as to all that is happening on a daily and weekly basis. This is especially hard when I don't have the means to do so. I ask only two things.

- (1) Pack Leaders, Pound Keepers, and their respective Dog Robbers, make sure I have your current Phone No's and E-Mail Address. This is the only way I can communicate with and get information to you in a timely manner.
- (2) Please make sure I am on your mailing list of monthly activities so I can plan on attending your Growls when possible. So far only three of the six States have done this!

Below is the information you need to get in touch with me.

Woof-Woof Chief,

The Kennel Operations Dog inventoried the supplies needed to run the Dog House. Since we did not have the Grand Growl, all supplies look good. We may need to get some packaging tape after our next time. There are enough Mid-Winter Ribbons for the next 2 years at Norfolk, VA (approximately 450). I attended the Mid-Winter in Norfolk and had 157 Dogs register. I have two Deputy Ops Dogs with a third that we will train hopefully at the Get Together the beginning of October and then be ready to go at the Mid-Winter next year. There is a possibility of changing how we run our registration and will need clarification on how we want to get that organized.

One item we will need to do is get the inventory from the Kennel Koncierge prior to Mid-Winter. I'm not sure who it close to him. I could take a weekend and drive down to pick the items up and bring them to our next event if the Chief would like me to.

New England Division Vice Chief Devil Dog PDD Cherie Monnell

What a hot time here in New England, I do not remember it being this hot in past years. Oh well, maybe Covid-19 is making it seem much hotter what with mask wearing and no hugs.

The Quad State Convention (ME hosting) and New England Division Conference in July went very well. Department of Maine & ME Pack really pulled it together. MA & CT Grand Growls were cancelled till next year.

Meanwhile Zooming is happening. Backyard visits are happening. Small gatherings happen. Future Growls are being set up in Maine, New Hampshire, and MA, hope they do not get cancelled.

Looking forward to the Gathering of Dogs in October in Maryland. Getting together, having a Grawl and just being with Marines will keep the coming winter blues away.

New England MODD is made up of 6 States which have 4 Packs: CT Pack, MA Pack, ME Pack and NH Pack. There are 12 Pounds; CT Pack has 3 Pounds, MA Pack has 4 Pounds, ME Pack has 2 Pounds and NH Pack has 2 Pounds. VT has no Pack but 1 Pound Green Mountain #249.

New England has a total of 383 Dogs, a loss of 11 Dogs from 2019. MA Pack had a loss of 4 Dogs ending up with 129 Dogs. NH Pack had a loss of 5 Dogs ending up with 41 Dogs. CT Pack remained the same with 119 Dogs, as did ME Pack with 65 Dogs. VT Pound #249 did great at adding 4 Dogs to the Pound.

The packs that have unpaid Dogs have been requested to let me know if the unpaid Dogs have been impounded and dues paid to bring them back into the Packs.

After attending the 2019 Supreme Grawl, volunteered for "Building Dreams for Marines", an organization that helps Marines stay in their homes by doing renovations for whatever disabilities they have. Fundraiser was a golf tournament and NH Pack Dogs staked out the holes. (8/2020)

Attended 2 firing details for Marines (8/2019)

Attended VT Grawl #249 in Colchester VT, gave oath to newly Elected Officers. (9/2019)

Held NH Pack Staff Grawl at my home to prepare for 2020. (9/2019)

Attended Sea Devil Dogs #349 Growls (2) no quorums (9-10/2019)

Attended Lakes Region USMC Birthday Ball (11/2019)

Served on cake cutting squad for Manchester Brigade Luncheon (11/2019)

Attended Celebration of Life for PNC Richard Gore (12/2019)

Attended MA #62 Growl in Peabody MA, did advancement (s) (1/2020)

Attended Mid-Winters in Norfolk VA (2/2020)

Attended NH #349 Growl-no quorum (3/2020)

Attended NH Pack Grand Growl-swore in Elected Officers and advanced some VT pups to Devil Dogs (3/2020)

At this point, Growls and events started to be cancelled due to Covid-19. I sent out emails opening my phone and emails for questions. Started calling around, checking on several Dogs I knew were at risk.

Attended 3-4 Kennel Staff phone conferences

Held a NH Pack Bark Zoom

Held a New England Zoom, had 1 Dog from MA, ME and 3 from NH

Quad State & New England Division Conference postpone till July 2020

Dept of MA Conference cancelled

Dept of CT Conference postponed to October 2020 then cancelled till next year.

Attended the Quad State Grand Growl, advanced 1 ME Pup to Devil Dog. ME Pack and ME Department did a GREAT job at holding the Convention even with all the restrictions and low attendance due to Covid-19.

Held a New England Division MODD Bark Zoom-BAD—no Dogs from New England Division except 3 of us. GREAT— Kennel staff was online and networking.

Have sent out all comms from Kennel but need to shore up the line of communications. I am in the process of getting information card filled out by ALL the dogs of New England. The going is slow, so far VT pound 249 has responded and some NH Dogs. However, no Dogs from ME, MA, and CT.

I plan on continuing to email/call them to give them a boost. Hope to see a lot of Dogs at the Gathering of Dogs in October and hope that all stay safe and healthy. Protect yourself and all under your care and within your love.

Woof-Woof!

As I type this article, we are just a few weeks away from the Gathering of the Dogs for the Devil Dog weekend in Ocean City, Maryland. To say I am looking forward to seeing all the Dogs who will be in attendance, is an understatement. I really hope this can become an annual event that we can attend but doesn't require all of the uniforms and formalities that we need to adhere to on the League side.

Since the Honorable 59th Chief Devil Dog appointed me to this position, I have tried to make contact with as many Pack Leaders and Pound Keepers within the Division as I can. Unfortunately, not always with good results. Too many emails, text and voice messages that I have sent out, have gone unanswered within the Division. Communication is key to making any organization function properly. And when the Organization is as big as the MODD is, it's even more important. If you are reading this article, and you are a Pack Leader, Pound Keeper or Dog Robber within the Midwest Division, and you are not receiving emails from me, please contact me as soon as possible and make sure that I have your correct contact information. You can email me at semperfi_marine2000@yahoo.com or text/call me at 636-290-1222. I will get you added to my contact list and we will be better able to help each other whenever possible.

I would like to receive date, time and location on any Growls happening within the Division. It's my goal and honor to attend as many as I'm capable of. If I'm not able to attend your first invite because of my schedule, don't give up on me. I promise to do my best to attend as many Growls as possible. The Midwest Division is a pretty vast area, so the sooner I know about when and where your Growl is, the better the chance that I will be able to attend. So far, I have been able to attend Pack Growls in Missouri and South Dakota and Pound Growls in Nebraska and Missouri.

Although the Division Conference in Jefferson City, Missouri was canceled, there will still be a one day meeting taking place at The Bunker, home of Pound 77 MO Pack, on October 24th. The Division Growl will take place shortly after the election and installation of Officers takes place on the League side. The Honorable 59th Chief Devil Dog Tom Hazlett is scheduled to be in attendance along with his faithful Honorable Aide-de-Kamp Mke Francis and the Honorable Sr. Vice Chief Devil Dog Alan Sanning. Pups eligible to advance to Devil Dog and who wish to advance, should have their paperwork turned into the Worthy MO Pack Dog Robber, PDD Janice Hartley no later than October 10th, 2020.

I HAVE RECEIVED REPORTS FROM THE PACKS OF NEW YORK, NEW JERSEY AND PENNSYLVANIA.

PACK NEW JERSEY IS DOING WELL AS CAN BE EXPECTED CONSIDERING ALL THAT HAS TRANSPIRED SINCE THE CHINESE VIRUS DESCENDED ON THE UNITED STATES. WORTHY PACK LEADER JOE DEANGELO IS IN CONTACT WITH HIS POUNDS TO ADDRESS THEIR CONCERNS AND ANY ISSUES THAT THE PACK MAY HAVE WITH THE POUNDS. I HAVE BEEN INFORMED THAT SOME RESTRICTIONS ARE BEING LIFTED IN NEW JERSEY AND THAT SOME POUNDS ARE AGAIN SCHEDULING GROWLS. THIS IS GREAT NEWS. THEY ARE HAVING A MINI GROWL AT THE BEGINNING OF OCTOBER AND SOME MEMBERS ARE ATTENDING THE GATHERING. I WOULD ATTEND THIS MINI GROWL, HOWEVER, I HAVE A CONFLICT AS THE DEPT OF NEW YORK IS HAVING THEIR CONVENTION THAT SAME WEEKEND. ALL IN ALL, CONSIDERING ALL, PACK NEW JERSEY IS DOING WELL.

PACK PENNSYLVANIA HAS DECIDED TO CANCEL THEIR PACK GROWL AND DO A VIRTUAL GROWL. THERE TOO, THE RESTRICTIONS PLACED ON PENNSYLVANIA HAS FORCED MANY OF THE FUNCTIONS OF THE PACK TO BE CANCELLED OR POSTPONED. THEY HAVE NOT YET DECIDED WHEN TO HAVE THEIR VIRTUAL GROWL. I WILL ATTEND IF THERE ARE NO CONFLICTS. THE WORTHY PACK LEADER IS IN TOUCH WITH MOST OF HIS POUNDS AND ADDRESSING ANY ISSUES THEY MAY HAVE. THEY ARE ALL DOING WELL AND AT LAST REPORT NO PACK OR POUND MEMBER HAS SUCCUMBED TO THE CHINESE VIRUS. THEY ALSO ANTICIPATE RESTRICTIONS TO BE LIFTED SOONER THAN LATER. PACK NEW YORK IS ALSO DOING WELL. WORTHY PACK LEADER WIGGS IS WAITING FOR SOME REPORTS FROM HIS POUNDS. MANY POUNDS HAVE NOT MET AT ALL SINCE THE BEGINNING OF THIS PLAGUE. THERE ARE ALSO NO REPORTS OF DOG MEMBERS SUCCUMMING TO THE CHINESE VIRUS. THE DEPARTMENT WILL HOLD ITS ANNUAL CONVENTION ON OCTOBER 1-2, 2020 IN SYRACUSE NY. I WILL ATTEND THE CONVENTION IN BOTH CAPACITIES AS METRO AREA VICE, NEDIVVCDD, AND REPRESENT SGT. ANGEL MENDEZ DETACHMENT, COMMANDANT. THOUGH SOME POUNDS ARE AGAIN MEETING OUTSIDE NYC, HERE IN NEW YORK, DUE TO THE CONSTANT BICKERING BETWEEN GOV AND MAYOR, THE LIFTING OF RESTRICTIONS HAS AGAIN BEEN PUT OFF. HOWEVER, POUND SALT 69 STATEN ISLAND NEW YORK HAS SCHEDULED GROWLS IN BOTH OCTOBER AND DECEMBER.

I THINK THE SUGGESTION OF PACK LEADER DEANGELO REGARDING PUBLISHING THE WOOF-A-GRAM FOR THOSE MEMBERS WHO DO NOT HAVE COMPUTERS IS A GREAT IDEA.

I PLAN TO HAVE A CONFERENCE CALL, EITHER VIDEO OR PHONE TOWARDS END OF SEPTEMBER TO SET UP PROCEDURES TO THAT FUTURE REPORTS CAN BE REPORTED IN A TIMELY MANNER. HOPING THAT ALL DOGS ARE WELL AND HOPE TO SEE MANY OF THEM AT MID-WINTER.

WOOF-WOOF,

RESPECTFULLY SUBMITTED

Woof-Woof Dogs,

I want to welcome all the new Dogs to the Order and I hope that everyone has had a great summer. In the last WOG article, I talked about the Kennel Store going online. This is getting closer to becoming a reality. I am currently uploading pictures for every item that we have and working closely with the Webmaster to see this through.

Fall is here and with the October get together, it will be here before we know it. I look forward to seeing all of you that can attend. There have been a few people asking about the Kennel Store. The store will not be at the October get together.

I am working on a few new items and will preview them at the National Mid-Winter in Virginia. Please visit the new website for the most up to date Merchandise Price List and Order Form at: www.militaryorderofthedevildogs.org

If there is something that you need, you can order by email, snail mail or by calling. I am currently working a dayshift schedule, so please call after 5:30pm eastern time.

Please make all checks payable to Military Order of Devil Dogs.

WOOF-WOOF,
PDD WENDY ZAMORA
HONORABLE KENNEL QUARTERMASTER

Kennel Watch Dog PDD Randy Weber

Honorable Chief,

I attended the Mid Winter Conference in Mar-Feb in Norfolk. I assisted the Kennel Police Dog as there is little work for the Watch Dog at Mid-Winter. Recruited another Deputy Watch Dog, PDD Ron Burns to assist. There are now three Watch Dogs, PDD Veprek, PDD Burns and myself. Another one or two deputies to backfill for lunch/breaks would be ideal. As you may know, the Dogs lost a true friend and supporter in the passing of Jeanette Geise, the patch lady, wife of past ADK to the 57th CDD, Tom Geise. She donated Big Bones to the Kennel.
