

Growlings from the 60th Chief Devil Dog: CDD Alan Sanning

WOOF, WOOF to all the Dogs of the Order,

With our upcoming Convention and Supreme Growl in Oklahoma City, I will lead off on the honor side of the MODD by mentioning the domestic terror attack on the Alfred P. Murrah Federal Building just over 28 years ago, which took the lives of 168 individuals including Marines Sgt Benjamin Laranzo Davis and Capt. Randolph A. Guzman. If you have not been to the Oklahoma City National Memorial and Museum it is a powerful memorial worth the visit. While the attack was an act of domestic terrorism, the memorial offers the opportunity to reflect on and honor not only on those lost on April 19, 1995, but also on our brothers and sisters currently serving; many of them in harm's way, because as we all know, the world is not always a safe place.

Once this WOG is published, the 83rd Supreme Growl and 100th Anniversary Marine Corps League Convention in Oklahoma City will not be far off. If you plan to attend and have not yet registered or booked a room you do not have much time left, check the MCL National website for info. For those looking to advance, go to the Kennel website, moddkennel.org and read the information under the "2023 Supreme Growl" tab, particularly checking for your name in the "APPLICATIONS PROCESSED BY KENNEL DOG ROBBER" list. Obedience School under "Library" also has useful info. I look forward to seeing all of you there!

It has been an honor to have the opportunity to visit various Pound and Pack Growls around the Kennel! Most recently with Central & Southwest Division Conventions along with Pennsylvania and Missouri Department Conventions with the pleasure of initiating and advancing Dogs, as well as installing newly elected and appointed Pound and Pack Staff. I have seen many good Dogs stepping up to lead the Pounds and Packs and wish you all great success in your endeavors. The generosity of Dogs around the country looking to help those in need is always inspiring and I see it to one degree or another everywhere. For example, following the recent MO Pack Growl, the Dogs ended up sending a check for 11,621 Big Bones to the Kennel Children's Hospital Fund to go along with the 10,364 Big Bones already sent in by the six Pounds. Additionally, during the Growl the Dogs presented another 10,500 Big Bones to this year's Pack charity recipient, the Pediatric Ward of Mercy Hospital in Springfield, MO. So, BIG BARKS out to all of you Dogs stepping up around the country and making great things happen for children and others in need; including our four-legged friends, as I see more and more supplies being brought to Growls in support of Operation Chow Hound. Great job and remember if you still have donations for

the Children's Hospital in Oklahoma City they need to be on the way to the Kennel Dog Robber ASAP!

Online Kennel Raffles are going well, thank you everyone! Earlier this evening I watched Facebook live to see who the winner of the Marlin 1895 Trapper Lever-Action Rifle was going to be, congratulations PDD Munguia! After I texted to congratulate her and then received her response, I was glad I had texted and not called her, as she expressed great concern in her text that she may have broken Kennel Executive Director PDD Wells ear drum when he called to tell her she had won. Jr. VCDD PDD DeAngelo expects to have the next item, a Colt 1911 up on the site by June 23rd or 24th, great job to both PDD DeAngelo and the Kennel Webmaster PDD Soldano on setting up and running the raffles.

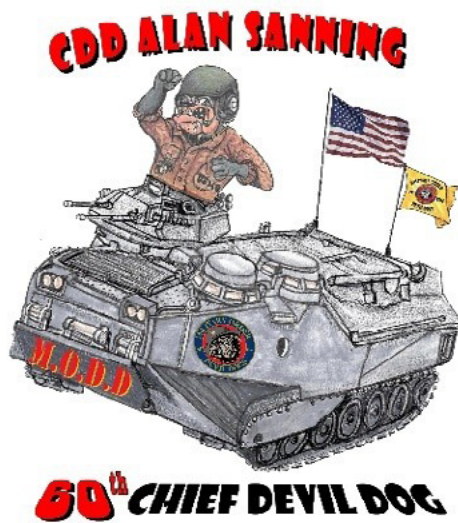

Good reports from Deputy Kennel Dog Robber (Compliance) PDD Steve Seyller continue to roll in as he works with Pounds and Packs with EIN, 990 and other compliance issues. He continues to receive calls with reports of the progress being made, as well as, others reaching out for assistance/guidance. With the convention coming up this is probably a good time for those Pounds and Packs with problems to touch base with PDD Seyller, amwdiv@yahoo.com , and set-up a time he can meet with you in Oklahoma City.

Keep up the fantastic work Dogs and keep having fun as you do it, Woof, Woof! See you in Oklahoma City!

Why do they always make SW Div. Dogs Growl outside under cammie nets? Hmmm....!

Woof Woof Dogs of the Order,

This spring season has been a busy one. Attending multiple Division Conferences and Pack Growls. I had the pleasure to attend the Southeastern Division Conference in Charleston, SC, and the Northeast Division Conference in Plainsboro, NJ. I also attended the Mississippi Pack Grand Growl and the North Carolina Pack Grand Growl where I was Honored to be the Installing Officer in both. At the NC Pack Grand Growl I also had the privilege of Advancing a Devil Dog to the Degree of Pedigree

Everywhere I go I am pleased to see that Operation Chow Hound is spreading across the Kennel. The Patches move well when I have them in person but are stagnant otherwise. If you would like Operation Chow Hound Patches please mail me a check with a note of how many patches you would like. I will handle the postage. The Patches are 5 Bones each. The proceeds from the Patch sales will be donated to Tornado Alley Bull Dog Rescue in Oklahoma during the National Convention in August.

Talking about Operation Chow Hound, I am very Proud of my Home Pack, last weekend at the Grand Growl the Dogs from the North Carolina Pack donated over 1,200 lbs to the Jacksonville Animal Shelter. To date The NC Pack has donated over 12 Tons to shelters across the State.

It is an Honor to be a Devil Dog,

Woof woof Dogs,

I would like to start off by thanking everyone that has participated in our online raffles. To date we have grossed over 8000 big bones toward operating expenses. This is critical as you can see from our budget. Expenses are getting larger, and we felt that this would help supplement our mission.

Attached is this year's budget for review. We will be approving the budget at the Supreme Growl so please review it and if there are any questions please come to Oklahoma and I would be happy to answer it.

The online classes seemed to be a big hit over the past year, and I will continue to post them as time permits. If anyone is interested in suggesting a class, please feel free to contact me at sgtjd2@gmail.com and I will be happy to set one up. They can be found on the publications page of the Kennel website www.militaryorderofthedevil-dogs.org.

Remember as we get closer to the Supreme Growl in Oklahoma, please send your forms to our Lucky Dog with any donations made for the auction. We need to know the cost, a photo of the item and where you would like the donation to go.

If you are planning to advance at the Supreme Growl, make sure you are checked into the doghouse no later than 1700 the Monday prior to the Growl,

What are you doing at Growl to retain new members and keep the current membership engaged? My answer to this question is games. As Jr Vice it is our responsibility to make sure the "FUN" is in fun and honor society. With some good imagination and not that much in the way of \$\$\$\$ you can have a blast at your Growls. Use your imagination and even get some advice from your Pack or Kennel Staff. We are always here to help a dog out.

I look forward to seeing everyone around the Doghouse in Oklahoma City this August.

Semper Woofing,
PDD Joe "Woody" DeAngelo 14-380

WOOF WOOF,

SUMMER IS HERE... OORAH !!!

The Marine Corps League National Convention and 83rd Supreme Growl is almost upon us! Looking forward to barking with many of you Dogs in Growl Assembled. Are you ready? My last article was written on 18 MAR 2023. Looking back over my notes and Facebook brings back some good memories from the last three months.

The 19th of March, I accompanied the Honorable 59th Chief Devil Dog PCDD Tom Hazlett to the National Convention hotel in Oklahoma City. The facility is in great shape and the rooms for the Kennel are going to work out well. On the 25th, PDD John Burwitz from the Wisconsin Pack, met me in Wentzville, Missouri for a Growl with the Dogs of

Pound 086. PDD Burwitz has been a "Special Dog" since we met at the Supreme Growl in Springfield, Illinois. The 29th was Vietnam Veterans Day and Chief Hazlett and I, visited the Missouri National Veterans Memorial in Perryville, Missouri. Lest We Forget...

April was a busy month. The 1st was a Missouri Pack Growl in Jefferson City. PDD Jason Reimann made my day when he "Requested a Lawyer." During his trial a large pile of Big Bones was collected and PDD Reimann ultimately had to apply for a loan, before being found guilty. Fun Growl. The MCL Commandant's Corner Zoom meeting was held on the 11th. Our topic was the MODD. Some good information was barked about. A deadly tornado touched down in the small, rural community of Glenallen, Missouri. One entire family was killed and most of the area homes were destroyed or severely damaged. On the 13th Dogs from Pound 330, Marines from the local Detachment, Ladies from the MCLA and the DAV teamed up. We gathered enough supplies to feed 250 people. Our volunteers packed up at the Marine Barracks and travelled 35 miles to Glenallen. Our team set up in front of the Post Office. Throughout the afternoon and evening, we fed approximately 200 residents and Disaster Relief Volunteers. Very humbling day. On the 15th PDD Steve Seyller and I, were in Des Moines, Iowa for the Department Quarterly Meeting, and a Growl with Pound 122. The Iowa Dogs are Fired Up! We were back in Cape Girardeau for a Growl with Pound 330 by the 18th. We brought in three new Mongrels and their initiation was fantastic. It was good to see an awesome imitation of "Gunny R. Lee Erme." LOTS of laughs that night. The Honorable Deputy Mad Dog PDD CJ New passed away on the 28th. Sad day for our Order. Pound 086 held a Growl in his Honor the next day. Great turnout and many shared memories of PDD CJ "Pickles" New. We will all miss you, Brother. Fair Winds and Following Seas, Marine. Semper Fidelis.

The month of May began with a visit to Minnesota. Karen and I, were in Mankato the 4th – the 7th. The Department Convention was full of familiar faces. The Grand Growl of the Pack was OUTSTANDING. It was real Honor to Obligate Marine Paul Wojahn to PDD. Private Wojahn is now 102 years old! He is a WW II Marine. Enlisted 20 AUG 1942 and fought on New Guinea, Cape Gloucester, Peleliu and Okinawa. WOW. Big Barks to the new Worthy Pack Leader PDD Bill Wittenberg. The 10th & 11th were the Wake and Funeral for PDD New, in St. Louis. Both were very well attended. Many of us gathered for Chow after the funeral. There were many toasts to his memory and we all barked the Devil Dog Creed. Marines are a special breed. The Kennel Staff met online on the 13th. The Honorable 60th Chief Devil Dog CDD Alan Sanning has kept his Staff focused on OKC. It was motivating to recognize DD Matt Anders as the Pound Dog of the Year at a ceremony on the 21st in Cape Girardeau. BIG BARKS! Met with the Kennel Bylaws Committee on the 22nd via Zoom. We are ready for the presentation of the five proposed Bylaws changes at the Supreme Growl. The weather for Memorial Day this year was perfect. Attended two ceremonies locally. Todd Calaway 1995, Darrell Boatman 2005, and Brett

Angus 2005. I remember you! On the 30th the Missouri Pack held a Zoom meeting to discuss the Annual Pack Fundraiser. These online meetings are a great tool and provide a perfect opportunity to work out details prior to the discussion and vote at a Growl.

June started with a visit to Branson, Missouri. The Department Convention and Grand Growl of the Pack were held on the 10th. We had 53 Dogs on deck. There were 10 Pups elevated to DD. The laughter and shenanigans never stopped. The Pack donated 10, 500 Big Bones to the Pediatric Ward of Mercy Hospital in Springfield, Missouri. Our Pack has contributed 12,172 Big Bones to the Kennel Children's Hospital Donation this year. Our 6 Pounds sent in an additional 10,364 Big Bones. This gives us a total of 22,536 Big Bones from Missouri to the Kennel Children's Hospital Donation for this year! To sum it all up, the 179 Dogs in Missouri donated a total of 33,036 Big Bones to the children this year. That is almost 185 Big Bones raised by each Dog. WOW. This was my last Growl as the Worthy Pack Leader. It was truly an Honor to serve the Pack. On the 20th we held a growl for Pound 330 in Cape Girardeau. The Honorable 58th Chief Devil Dog PCDD Leonard Spicer was in attendance, but definitely feeling a little "Under the Weather". Drove up to Wentzville on the 24th for a FUN Growl with Pound 086. Sir Pound Keeper PDD Mark Hoernschemeyer always runs a good Growl and he was chosen as the Missouri Pack Dog of the Year for 2023. Well earned, Marine!

I have approved the Bylaws for the Iowa Pack. They were submitted several years ago and got lost in the shuffle. Many of you have reached out to me with questions about the Bylaws. Most of you know that I will always do my best to answer those questions ASAP. Please give your Pound and Pack Smart Dog the opportunity to answer your questions before reaching out to me. No Dog needs to memorize the Bylaws, but EVERY Dog should have a working knowledge of them. This is especially true for the Officers on all three levels. Pound, Pack and Kennel. We have five Proposed Bylaws Changes that will be presented and voted on at the 83rd Supreme Growl, on 16 AUG 2023, in Oklahoma City, Oklahoma. You will find those five changes here in this issue of the Woof-O-Gram. They are also posted on the Kennel website: [MilitaryOrderoftheDevilDogs.org](https://militaryorderofthedevildogs.org). Scroll down to: "2023 SUPREME GROWL" and click on the **INFO** tile. Scroll down to: "2023 PROPOSED CHANGES". Here is a brief summary.

- #1. Stamps. This change would add several Passport Stamps to the authorized list.
- #2. KDOY Chair. This change calls for the Chair of the Kennel Dog of the Year Committee to be elected for a one-year term.
- #3. KDOY Selection. This change would limit the selection process of the Kennel Dog of the Year to the KDOY Committee only.
- #4. Awards Submission. This change concerns the Pound and Pack Dog Robber of the Year. It would change the submission date, for Nomination Letters, to 1 June.
- #5. Pins. This change adds to the list of authorized pins on the MODD Collar. It would allow all MCL, MODD and Service pins.

Please take the time to read these and share them with your Pounds and Packs. Only the Dogs in attendance at the Supreme Growl will be able to vote on these proposed changes.

If you have Bylaws questions or I can help you in any way, please contact me

Woof Woof Dogs of the Order,

06-02-23

As I'm sitting here in my Doghouse, I'm thinking of all the fun and adventures that are going to take place while we travel down Route 66 in Oklahoma City, OK. The convention team has put a lot of hard work into this year's 100th anniversary of the Marine Corps League and they also have an awesome Day planned for the Dogs on the 15th with the Dogs Day in the park so make sure to mark your calendar and get ready for some fun.

By the time you read this the deadline to have your advancement paperwork turned in has come and gone. July first was the deadline and I hope all those who were planning to advance at the Supreme Growl in Oklahoma City OK, got your paperwork turned in to your Pound and/or Pack Dog robber. Don't forget to

get the copy of the advancement form that the Kennel Dog Robber sent back to your Pound and or Pack Dog Robber and bring it with you.

We have some fun and interesting things planned for the initiates so come prepared to do a little snooping around, sharpen up your memory skills and there might be some singing and dancing as well.

Operation Chow Hound will be in full effect again this year at the Supreme Growl in Oklahoma City OK. What's Operation Chow Hound you ask? This is a program that was started by PDD J.D. Jones of the Jesse O Price Pound 210 North Carolina Pack, at each growl we bring in items that are needed for a Dog shelter in the local area such as dog food, cat food, water bowls, towels, leashes etc.... the Dogs from the host Detachment contacts the local shelter and gets an idea of what's needed and that's what we try to bring to the Growls. We try to use no kill shelters as much as we can, and we also try to donate to shelters that don't receive monetary support from the City or State. This project has taken off in the North Carolina Pack and from what we see on social media it's being utilized in many other Pounds and Packs throughout the Kennel.

All Dog Food and other items collected at the Growl will be donated to a local shelter in Oklahoma City OK along with any monetary donations that we receive.

If you want to donate there is a link on the Kennel web site and goes directly into a fund that the Executive Director has set up for this cause. So, if you, your Pound, or Pack won't be able to make it to Oklahoma City OK, you can still donate Bones if you would like to.

It has been a pleasure serving as your Kennel Mad Dog and It is my intention to run again for the position of Kennel Mad Dog during the Supreme Growl in Oklahoma City OK, and I would appreciate your vote and support.

DD Advancement Information

Woof Woof Dogs of the Order.

For those of you who are planning to advance this year in Oklahoma City please look at the requirements and this helpful information.

- 1- All Advancement forms should have been sent to the Kennel Dog Robber and received by July 1st.
- 2- All advancing Dogs need to first register with the MCL then proceed to the Kennel Doghouse to Register. **All Dogs Must be at the Doghouse no later than 1700 on August 14th, 2023. It is recommended to arrive on Sunday if possible or as early as you can on Monday.**
- 3- Each Dog Needs to Bring \$50.00 - \$75.00 big bones with them to the Doghouse for registration. There is a \$25.00 big bone fee for your dog collar which \$20.00 of that is refundable at the end of your initiation if you don't want to keep your collar. You'll have your Passport fee and registration fee, there will be a Growl specific coin and patch that you can purchase, your Dog Bones and possible fines that may be given.
- 4- You need to have a list of your Medicines and any specific medical issues that you might have so they can be given to the Kennel Vet and your Platoon Handler. Please put this on a 3X5 index card if possible. If you need to use more than one card that's fine.
- 5- **DD's need to make sure they do not book any trips from August 14th – 16th.** If you miss too much of the training, we won't be able to Advance you.

Executive Director: PDD Ben Wells

Woof Woof!

I hope all you dog's out there are ready for summer and a lot of sitting on the porch! I know I am ready for relaxing times ahead.

I had the opportunity to join Southern Division at their Convention in Tyler, TX in March. I was able to meet with several members that I have spoken to over the phone in person. It was great being able to spend time together and I hope to see them at National so we can spend some more time together.

We left Tyler, TX, I headed to Sarasota, FL and Miss Erin headed back to Maryland to hold down the ship. In Sarasota I meet with Nils, a 97-year-old survivor of the Battle of Iwo Jima and escorted him to Guam. We did the tour of Guam and Iwo Jima with the Military Historical Tours. Sometimes you just never know who you will run into when traveling the world!

That is right, I found Ms. Ivania Munguia on Guam and Nils new best friend. It was a great trip and my tip to anyone that would like to do it, practice walking on hot coals. That is one hot place and I cannot image having to fight and sleep on that island.

A few items that need to be addressed now that I have gone over the fun times.

The Roster! First let me apologize to all the Dogs that have been frustrated with getting the data off the website. It was my impression that you could easily go to the website and get the information that you needed. I found out that unless you have experience with google documents it is very difficult to get this information. Until, we can get this resolved Janice will be sending out the roster to the DVCDD who will then send it to whoever needs it. You will only get your Pound roster from the DVCDD.

The Passport and Children's Hospital fund is currently at \$54K so we need all Dog Robbers to send in all monies that have been collected ASAP. We are nowhere near the 83K we did last year which was a record number for the Kennel.

Work on getting the database in QuickBooks accurate continues, re-building 10 thousand records correctly is a very time-consuming job to say the least. It is getting better; we are much closer than we were last August.

Everyone enjoy your summer and I hope to see everyone at National convention in Oklahoma in August.

Woof Woof to all,

So the Supreme Growl is just around the corner, and where has the time gone? Everything has been super busy the past several months. And as with everything, we must all roll with the changes. As many of us are working behind the scenes to make things better and keep things moving, we must all be patient as information is getting passed to the masses.

I want to specifically talk about the rosters on the website. The advancement roster. It takes time to go from one end of the chain of command to the other and then into the Kennel DogRobbers hands to get finalized. After all of that, once the DogRobber has created the new list it then gets sent to me for publishing. Once I have received the list, it usually gets published within 24-48 hours. The date that the list gets published is posted at the top of the roster that is posted on-line. How

far back was it that we didn't even have a roster on-line that we could even search through? Please pass the word to those that are moving up, to please be patient. We know that you want to know if everything is received and good, but we can only work as fast as we can. As things progress we are always on the search for ways to improve things and make things better.

But on a pleasant note, both websites are running well and we are working many things as far as technology is going. Our raffles are doing well too. However, even though we put them out via social media, it is still a good thing to take the flier from the website or Facebook and bring them to your events and Growls. There is nothing better than word of mouth to get things going. So please help out in that regard where you can.

Events are something that are always good to see on our pages. It lets others know what's else is going on officially. We just recently posted some events so please go to the site and check them out. If your Pound or Pack is hosting any special events, please feel free to contact me and send me the information for those events to be posted on the Kennel site, please keep in mind this is for special events and not for Pack or Pound Growls. That information can be posted on the Pack / Pound Locator, which by the way if you do not have your information sent in for that, please send it to me as well.

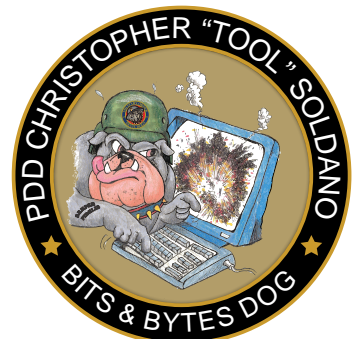

I am still on the search for photos of the following PCDD's in an effort to finally complete the PCDD page:

- PCDD Walter Donnelly
- PCDD James Koenig
- PCDD John J. McNamara
- PCDD Marshall D. Lundgren
- PCDD Philip A. Calabrese

Please, if you think you may have photos of any of them, please send me what you can. I would love to see that page complete.

As always, if you need anything please feel free to contact me.

Semper Fidelis,

Dog Robber: PDD Janice Hartley

The Supreme Growl is fast approaching. It's time to start sending advancements for PDD in – remember they need to be in my paws NLT 1 July. **Hint- Hint**, they can be emailed to me after your Pack Dog Robber signs them. Per the updated bylaws the candidates for PDD must be in attendance by 1700 on Monday the 14th of August. Be sure to arrive early because you have to pick up your credentials from the MCL Registration desk prior to reporting to the Doghouse.

At the Supreme Growl, awards will be given out. To date I have received only three submissions. Two for Kennel Dog of the Year and one for Pound Dog Robber of the Year. Really, are there no other Dogs deserving recognition for a job well done? **I can't believe that!** There is still time to get those nominations in – they will be accepted, even hand delivered – just be sure to follow

the instructions in the bylaws.

Passport stamping fees and donations to our Childrens Hospital Fund continue to arrive. Remember the bylaws require each pound to have a minimum of four growls each fiscal year and those bones collected for the stamping and donations to the Childrens Hospital are to be sent into me within a few days after the growl – so don't wait until the end of the fiscal year. All checks dated 30 June 2023 and prior will go to this year's donation to the Children's Hospital Fund.

I continue receiving ROIs done on **OUTDATED** forms and with everyone living in the same **PO Box** – it **must be really crowded!!!** We need the physical address that your officers live at plus phone number and email address. Also many pounds are still holding their elections prior to the Supreme Growl. Bylaws require the Pound election and installation to be done within **90 days after** the Supreme Growl. Only the Pack can hold elections prior to the Supreme Growl since their Grand Growls generally are held right around the end of the Fiscal Year (30 June).

My deputies are still finding many pounds and packs that are not incorporated and/or using incorrect EINs. We need to get this corrected ASAP – if you need help, just ask. We have many dogs that can assist you.

The Mini Growl held on 24 February in Norfolk, VA is on the website under private library. Also, last year's Supreme Growl Scratchings are located there. Read them prior to coming to Oklahoma City – they will be voted on for approval or corrections so check them out.

When you send in your transmittals, applications for membership, advancements and NOD, you need to only send one copy of each. I don't need three copies of everything! **If you are not getting your endorsed copies back, the reason is either your email isn't correct, or you do not have one. In which case, you need to provide me with a valid email address.**

Have a safe and enjoyable summer and I hope to see many of your in Oklahoma City.

Woof Woof Dogs,

Summer is here and with it comes the warm weather and the National Convention that is just around the corner.

I will be bringing a new jacket to convention this year that will come in black and limited sizes in red along with a new fun award that you will be able to purchase starting with the National Convention. The store will open starting Sunday and will be open all week.

I am still receiving orders in the mail that are being written on the wrong Order Form and in some cases items are being ordered that we no longer carry or the price has changed. Please make sure that the new forms are being used. Postage has increased with the minimum now being \$5.00 and it goes up from there.

Both of these forms can be found on the website under Quartermaster. Please keep in mind that orders are put together once a week on Sunday's and are mailed out on Monday's; unless you have contacted me for an emergency order.

If you have a clothing item or idea of anything that we can add to the store, please let me know. I am always looking for new items to add.

Please make all checks payable to Military Order of Devil Dogs.

Woof woof, Dogs of the Order!

I missed the Supreme Growl and MCL convention in Daytona... All I have heard is praise and outstanding experience from the dogs across the country. This dog is blessed to have Deputy Barking Dogs PDD Jay Ramirez and PDD Manny Ibarra to carry the mantle and bark loudly!

And I am not sure yet if I will make it to Oklahoma City. If I am to continue keeping a doghouse and kibble, I must keep my employer happy!

As I barked in the last Woof-O-Gram, one of the duties of the Barking Dog is to prepare and publish the Woof-O-Gram 4 times a year. Please know that you do not have to be a Kennel officer to submit articles for the Woof-O-Gram!! Look for the article from PDD Helen Breen, South Carolina Pack in this issue. Very valuable information shared. We need more like this, and your funnies and pictures! Send them in! Woof woof!

Attention all Dogs:

Now that we are in the 2024 fiscal year, it's time to start raising bones for the Children's Hospital Fund. Since we're all unmasked and COVID-19 restrictions have been lifted, we can once again get out in the community to raise bones, so put on your thinking collars and come up with some fund-raising ideas. Also, please send your ideas to me so I can share them with everyone.

Everyone did a terrific job in 2023, and I know we can surpass the amount we raised last year!

Also, don't forget about the yellow roses! They are a big bone maker. You can order roses by emailing spawnpointgaming91@gmail.com.

For those attending the National Convention in August, join us at the "Dogs' Day at the Park" on Tuesday, 15 August starting at 1600 (4:00). There will be lots of games and fun for all. All proceeds will go to the Children's Hospital Fund, and we will present the check to the Oklahoma University Children's Hospital at the event. I hope to see all of you there!

On another subject, I don't know if you all have heard that Senior Vice Chief PDD Jones has started a wonderful program called "Chow Hound." The program asks that, at each growl, the dogs in every Pound and Pack bring dog food to be donated to your nearby shelter. Senior Vice Chief PDD Jones designed a patch that can be purchased for five big bones, with all the proceeds going to an animal shelter. Let's all join in and support this excellent program.

Woof Bark, and Greetings from the 51st Chief Devil Dog. Almost all of the Packs have had their Growls, Good Job to all and congratulations to all the new Officers leading the Packs. I would be remiss if I did not shout out to the Missouri Pack for all they have accomplished for the Children's Hospital and Kennel. If we could get a few more Packs to copy their lead, that would be more than awesome, it would be FANTASTIC and a tribute to all the ethos we hold dear.

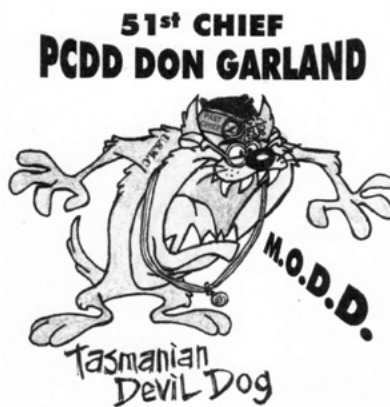

So, it is starting to get hot and muggy here in the state of Virginia, make sure if you are out and about, on or off the leash, that you cover your paws and get some cool liquid refreshment. While alcohol is not recommended, I guess it is better than nothing, so I raise a dog glass to you all! Now if we could get a weekend without rain and mud for a change (just one would be OK with me), I wouldn't be tracking my muddy paws on the leash-holder's floors.

Well, the time is almost here for Oklahoma and our celebration of the 100 years of the Marine Corps League. What an awesome job the committee has done putting this together to ensure it is a memorable event. I am sure there will be memories made to last a lifetime! I hope they have put in their request early for decent weather, it would be great to get out and see some sites. I know I am looking forward to the camaraderie as usual, as this is my vacation for the year.

There are several of our members who have not been doing well over the past year, I hope you will stop by their dog house as your circumstance permit before the convention to check in on them and give them a hearty brotherly (or sisterly) hug and brighten their day. I know that if pulled up to a few of these deserving dog's pads, it would be a surprise and we would have some fun enjoying the time together. So let's make an effort to reach out to those we have not seen in a while, just to give them the comfort of knowing they are not forgotten and we are never too busy to take care of our own.

Please, make an effort to attend the National Convention and Supreme Growl, I am sure you will find it entertaining and fun, with a little knowledge thrown in for good measure. Hope to see you in Oklahoma.....

Woof Bark, the 51st CDD

Woof-Woof to all the dogs in dogdom. I hope this finds all of you with full bellies and lots of BONES.

We have been busy trying to get our Division back on track, and it has not been easy, however, we are making some headway. Our initial goal was to have everything moving in the right direction by our National Convention. We want to have our 990's and EAS numbers corrected, or at least submitted by Convention.

Several pounds have indicated to me that they may be turning in there Charters due to inactivity. We are working on those as we don't want to loose them if there is any chance of saving them. Our goal is to be completely compliant and we are dedicated to making that happen.

I now have a new Assistant Vice Chief. I have asked PDD Darrell Tharp, {Tennessee} and he has accepted. PDD Tharp will be attending the National Convention and I will make sure those of you who don't know him will by the end of the convention. PDD Tharp will make an excellent addition and I look forward to working with him. March 30,31, and April 1st we held our Central Division Conference in Plainfield, Indiana. We had the honor of having the 60th Chief Devil Dog, Alan Sanning, and the Aide-de-Kamp to the 60th Chief, PDD Charles Covert Jr; attend. We had a great conference and a Howling Great Growl headed up by PDD Regis Hess. It was one Growl the Chief Devil Dog won't soon forget.

I have attended the following growls: #241 Ohio, #174,138 Michigan, #117,012,226,384 Illinois, #285, Indiana. Ohio has a new pound, S.W. OHIO MODD #408.

On June 2,3,4, I attended the Michigan State Convention and Growl in Lansing Mi. and swore in the new Pack Officers.

I had the honor to be invited to attend a military Funeral, by the 1st Sgt of the Marine I & I Staff at the Rock Island Arsenal. It was for a Marine, Pvt.Teter, who died in 1942 and had recently been identified and returned home. The family ask that no media be present.

I am in the process of getting my things together as I am leaving tomorrow to attend the Illinois State Convention and Growl in Springfield, Il June 22-25th.

I hope to see ALL our dogs at the convention and Growl.

WOOF WOOF and Greetings from 20 miles below the Artic Circle!

It's a very busy and exciting time of year for us as Dogs. With the Supreme Growl quickly approaching and all the Grand Growls, I Haven't seen Dogs moving so quickly as the last time I tried to get mine to the Vet!

I have making my rounds here in the Midwest Division {by the way the greatest Division in the Kennel} attending as many Grand Growls as possible and am encouraged by the attitude and involvement of these Dogs. With the Supreme Growl approaching the PDDs are spreading their knowledge out to the upcoming DDs and Pups. Passing on knowledge is a very important part of being a PDD. Also teaching the up and coming Dogs how to raise Big Bones and having fun while doing it will only help our Order grow!

I am proud to say with the help of some outstanding Dog Robbers at the Pack and Pound level and especially the Compliance Dog, PDD Steve Seyller, the Division is almost 100% compliant! Big thanks to all of you!

I have been meeting a great bunch of Dogs everywhere I go and want to express my gratitude to those Dogs that have stepped up to take a leadership role. The new Pack leaders have big paws to fill but I'm sure they are up to the task.

Here is a list of the new Pack Leaders I have so far,
The Sunflower Pack of Kansas: PDD Bill Kunz

Minnesota Pack; PDD Bill Wittenberg
Iowa Pack; PDD Mary Nagel
Missouri Pack {AKA Missouri Mafia} PDD Chuck Covert

Congratulations and I look forward to working with you.

As a closing note I would like to acknowledge the Packs and Pounds in this Division for all their hard work and achievements. You make my job so much easier.

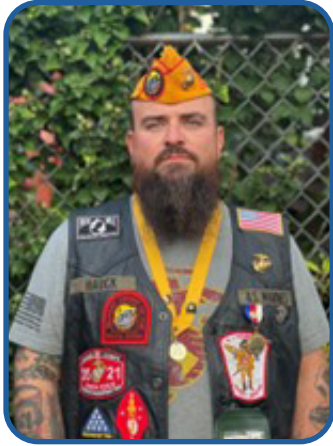

Keep an eye out for a Leaguer who you feel would make a Good Dog and reach out to the Dogs that have strayed from the yard and bring them back home.

Until next time WOOF WOOF! And MAKE IT FUN!!

Hello everyone. First off I'd like to congratulate all the newly elected officers of all the Packs that have had their Grand Growls. Secondly, I would like to congratulate all the new Pack Dogs of the year.

With the national convention coming up soon what are you doing to help Devil Dogs elevate to the degree of Pedigree Devil Dog?

Hopefully not all the secrets. At this point they should be able to report. Do they know what the 3 things they need on them at all times at the convention? Cover, Collar and Credentials. But the most important part for them is to have fun!

I'd also like to talk about taking the pups and devil dogs in your pack or pound under your wing or guidance. Be a mentor figure to them. Help them to become a better pup or devil dog.

Lastly, I want to talk about is pound growls. What are you doing for fun at them? I see some pounds on Facebook having a great time. Playing games, doing challenges and what not. Let's all try and have it be a fun time and not like a meeting and more of a hangout with your buddies.

What a spring we had here in New England! Hot then cold, Heat or AC, not knowing which to put on. I believe I seen some dogs with winter coats on wearing shorts. Go figure!

Had to cancel going to MA Pack Grand Growl due to a last-minute family emergence. Looking forward to going to CT Pack Grand Growl at the end of June.

Seems like just getting all dogs, and pounds done with their paperwork, and it is time to start all over again. Hope they all remember what needs to be done.

Will be getting ready to go to OK for Supreme Growl and to watch as New England Dogs earn their gold color (PDD).

For those going to Supreme Growl don't forget to read the proposed Kennel By-laws; 2023 Proposed Changes Half way down the page.

As always, I am available by email and phone call on the following days and times; Mon-Fri-0900-1800, Sat-Sun-1000-1200. Emails may be sent anytime, but please no phone call after the stated times unless an emergency.

Woof, Woof, fantastic Dogs of the Division,

We just finished a great weekend of fun in beautiful Charleston, SC., at our Southeast Division Conference.

We were honored to have the Honorable 60th Chief Devil Dog, Alan Sanning, his lovely wife, Dottie, and the Aid de Kamp to the Chief, Chuck Covert with us. They say they had a great time.

I wish to thank all the Pack Leaders, Pack Dog Robbers, Pound Keepers and Pound Dog Robbers for getting the Division into compliance with 990's, ROI's and Secretary of State filings. We are at about 87% up to date at this time. I hope you are continuing to work to get us to 100 % compliance and keep us there.

I look forward to travelling to all the Department Grand Growls in the Division that I am able to make. Some are on the same weekends and I won't be able to get to visit all.

Again, thank you all for all your hard work and dedication, let's keep it up. We need to get out and recruit new Dogs into the Order. Our membership is shrinking.

We have built in pool of candidates. Let's look around at each Detachment and select good candidates to bring in. Just remember, in the words of our Honorable Past Chief, Tom Hazlett, "Make it fun and they will come."

Woof Woof,

I was able to attend the Grand Growls for Idaho and Montana this year. Oregon had theirs on the same weekend as Washington so I did not attend the Grand Growl for them.

At the Washington, Idaho and Montana Growls we initiated 5 new Pups and Advanced to Devil Dogs 4 members.

It was good to see the camaraderie during the Convention attended.

Looking forward to the Supreme Growl in Oklahoma City in August 2023.

Remember to sign up for advancement to PDD before July 1, 2023.

Woof, Woof! Devils Dogs,

Greetings! It's been a hectic two months as Detachments, Departments, and Divisions held the Conferences/Conventions to introduce the new staff to the Packs and Pounds. They have all been exciting and a pleasure to reconnect with prior acquaintances and newly installed/selected representatives of their respective Departments/Packs.

The resilience of the Military Order of the Devil Dogs (MODD) has only strengthened the resolve to adapt, overcome and move forward to continue our path to maintain the Order. Moving forward we must ensure that we, as a whole, keep current with the demands of the Internal Revenue Service (IRS) and State Laws to maintain our non-profit status. I would be remiss if we lose Pounds for non-compliance when all they would need is guidance/assistance to keep their status

current.

We must assist those who need help and provide support, which we all needed, when we first started in the MODD. Guidance is a major reason to get involved and help others. It is our responsibility to address the needs of the community so that we may better serve them with our actions and deeds. Your continued efforts have demonstrated our resolve to provide help where it is needed. Fund raising, Honor Guards, Color Guards, Young Marines and Toys for Tots are only a few of the ways we support our communities.

Getting back to Basics is a start and continuing what we do only leads to being recognized and appreciated, a big bark to all the Dogs for a job well done.

Getting excited to attend the Supreme Growl at 100th Anniversary of the Marine Corps League in Oklahoma. Woof Woof!!

Respectfully Submitted,

WOOF WOOF Dogs of the Order! Summer is upon us and the 83rd Supreme Growl in Oklahoma City, OK, is rapidly approaching. Please be sure that if you have DD's registered to advance, they take the time to go to the MODD Kennel website and review the **"Advancement Initiation Instructions."**

There is a very important topic I need to bring to your attention: MENTORING, yes, mentoring our newly initiated Mongrels is top priority - they must. Anyone who has already advanced to PDD and or also had the privilege to be a handler can attest to this. You will see DD's at the Dog House checking in and struggling with reporting properly. Mentoring has to start immediately at the Pound level. Pound Keepers can assign a PDD to mentor a new pup(s). They can share MODD

knowledge at a Growl or on their own private schedule. Introduce your Dogs to the MODD website, review the Bylaws and the Kennel chain of command. Share the customs and courtesies of the MODD.

Knowledge is power! A sound mentoring program not only will breed a Dog that is well versed on the MODD, but he or she will truly see the mission of the MODD and understand why we are the Fun and Honor Society.

Your mission for every Growl should be for all Dogs to leave having had a great time and having learned something new! We learn together and we grow together! All Dogs matter! No matter billet or title, take the time to familiarize yourself with the various documents on the Kennel website.

Here are a few simple ways to make learning fun:

- MODD Trivia
- Pin the Billet to the Dog
- Be creative and make learning fun.

Change of Pack leadership: I had the pleasure of installing the new Oklahoma Pack leadership at the Grand Growl in Lawton, Oklahoma during June 2023. Congratulations to the newly elected and appointed staff of the Oklahoma Pack! Woof Woof!

By the time this issue of the WOG is released, I will have already attended the Texas Pack Grand Growl in San Antonio, TX. Congratulations to the Texas Pack leadership and thank you for continuing to grow your Pounds!

The MODD is alive and well in Texas.

I'd like to take a moment to thank my assistants for all they've done this past year:

PDD Audrea Killalea

PDD Cory Dressler

PDD Patrick Murray

I couldn't have asked for a better team. Thank you for accepting your appointments and always being able to assist. WOOF WOOF!

I am looking forward to seeing all you Dogs in Oklahoma City. Let's all remember to please continue to support Operation Chow Hound at every Growl.

2022 PCDD John Zak Dog Robber of the Year

In a perfect world, when a new Dog Robber takes over in a Pound, all the books will be perfect, all the reports will have been filed, audits complete, etc. Yeah, that didn't happen when I took over as our Pound Dog Robber in 2019. So sit back, grab a cold one, and let me tell you a little story about getting our Pound back in compliance. Are you ready? Let's go!

In 2019, I was a newly minted DD and I was asked to take over as Dog Robber. Since I have a bookkeeping background and have worked in the nonprofit world before joining the League, I was on board. I assumed that the batch of "stuff" I received would be a good set of financials and minutes. I was so wrong. I was given a binder of random information, a few old bank statements, our passport stamp, and a so-called roster. I asked about a bank account and was told that we hadn't had a bank account in at least a year. After hearing that, I wondered what the heck I had gotten myself into! Like any good Marine, I took a deep breath, pulled up my britches and got focused on the task at hand. I knew it would take some work, but I knew if anyone was going to get it done, it was me!

Step one, getting our bank account so we had somewhere to collect finances. That was probably the easiest part! We did, at least, have our EIN from the IRS, so I was able to knock that out pretty quickly. I then had to double check our 990N filings and make sure they were up to date. Fortunately, this was another easy task with the on-line 990N filing access and I got all the filings caught up in short order.

The next step was a bit harder, I had to check with our Secretary of State on our Charity filing. I was able to find our filing information and had to contact the Secretary of State to obtain access to our records. I didn't have our Filing ID, so that was probably the biggest challenge. For a small number of charities, an exemption can be filed to avoid having to file an annual financial report. Our Pound qualifies for this exemption, which took a large piece of paperwork off my desk. I do have to file the request each year, but with the online filing, an email reminder is sent annually so I don't miss it!

The next step was probably the most challenging, getting the records in order with what hand-written minutes I could decipher and getting our roster and contact information for our Pound members put together in a digital format that could be disseminated to Pound members and utilized for communication efforts. It took a couple of months of reaching out to Pound members by mail, since our Pound consists of three Detachments across the eastern part of our State, to get the roster fully updated and begin communications with all our Pound members. This communication has helped with improving attendance at our Growls, which has helped with our fund-raising efforts. I now have our roster in an Excel spreadsheet with all the important information and we send dues renewal invoices via Square, which makes it easy for Pound members to pay dues without having to send a check. If they choose to pay with credit cards, we ask that they cover the processing fee so the Pound doesn't lose funds.

Finally, we had to tackle the fact that we had no bylaws and budget for guidance on managing our Pound, especially on distribution of funds outside of Passport Fees and Dues. This allowed us to have clear outline for ensuring we have funds to cover administrative costs, awards, and funds for Operation Chowhound and the Childrens Hospital donations.

It realistically took about six months or so to tackle all these issues and get our Pound back on track with all the required elements we must have to comply. It wasn't always easy, but I knew it must be done and I wasn't going to let my Pound down. The biggest key is knowing what parts you need to cover to be in compliance with the Pack, Kennel, State, and IRS. Each state has different requirements, but if you reach out to your Secretary of State Charitable Division, they are normally more than happy to assist in getting you on the right track, even if your Pound or Pack has been out of compliance for some time.

In the midst of straightening all these issues out, I may have consumed an adult beverage or two, but at the end of the day, it was worth it and my Pound and I have no worries that we are going to get a nasty gram from the State or worse, from the Kennel, suspending us for noncompliance. It can be done and more importantly, it **MUST** be done. The issues that arise from not doing it are **WAY** more serious than can be handled by most Pounds and it takes much less time to maintain compliance than to let it slide. Don't be that Pound! There are plenty of Dogs who are here to lend a hand if you need some guidance. Lean on them and ensure that you are doing things the right way!
